## Student Veterans Win High Honors In Examinations

Student veterans at Victoria College have done exceptionally well in their first year back in the classroom. Dr. J. M. Ewing, principal of the college, said this morning.

"They are older and more keenly concerned with making good marks than many of the younger students," he commented, "and have made excellent marks on the whole."

Two of the 140-odd ex-service students distinguished themselves by getting into the scholarship class, despite years away from school books.

Douglas G. Manzer, a former sergeant in the R.C.A.F., with three years' service, was leader of the special winter session for veterans, with a percentage of 88.4. He is at present living in Langford. He formerly attended Oak Bay High School.

Walter Stuart, who was a lieutenant with the Calgary Highlanders, won the Hudson's Bay Company Scholarship of \$100, awarded the student taking the highest standing in Economics 1, and continuing his university studies without interruption.

Mr. Stuart saw 2 and a half years' overseas service. At the present time he is attending the special spring session for veterans at the University of B.C. He is married and has one child, and lived at Sidney while attending Victoria College.

(See college and university results on page 7).

## Flying To England

David MacKenzie, who was leader of first year students at Victoria College this year, placing first with a percentage of 92.4, will leave with his mother, Mrs. G. G. MacKenzie, 1006 Newport Avenue, to fly to England Monday. Mrs. MacKenzie and her son will join Mr. MacKenzie who is associated with his brother, Maj. Herbert MacKenzie in London Airplane Ltd. Mr. MacKenzie went to England just before the outbreak of war to join his brother's airplane business, and has seen his family only once in the seven-year period, for six weeks in 1944.

David has been a student leader throughout his school career here, having been president of the Oak Bay High School Students' Council last year.

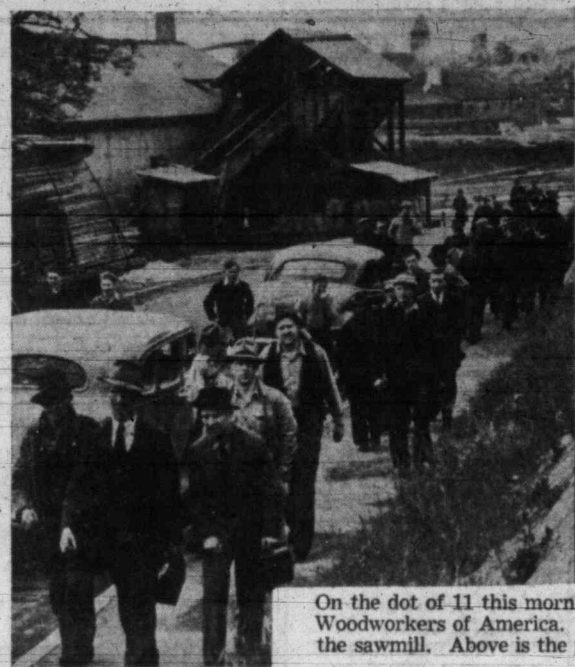

He is anxious to return to Canada to complete his education at University of British Columbia.

## Clears Lawyers

OTTAWA (CP) — Chief Justice J. C. McRae of the Ontario Supreme Court said today he had not intended certain remarks made Tuesday to "reflect on the integrity" of defence counsel in four espionage cases before him.

At the afternoon opening of the case of E. W. Mazerall, he said a "construction has been put on my remarks that was quite unintended by me."

## Lumber Workers Leave Plants Sharp On 11 O'Clock Deadline

On the dot of 11 this morning 800 Victoria woodworkers joined in the province-wide strike called by the International Woodworkers of America. At the left employees of the Cameron Lumber Co. Ltd. in Victoria are shown leaving the sawmill. Above is the picket line, which was formed at 11.10 at the entrance to the Cameron lumber mill on Garbally Road.

## LATEST

## Canadian Coal Supply Dwindles

OTTAWA (CP) — Reconstruction Minister Howe told the Commons this afternoon Canada's coal supply situation was "deteriorating rapidly."

Replying to questions from opposition members, Mr. Howe also disclosed that the banning of coal heating in public buildings in Ontario and Quebec, announced Tuesday, was only the first of a series of similar measures aimed at conserving supplies.

He said Canada had not received any coal shipments from the United States, where a crippling soft coal strike is in progress, for the last five weeks and may not receive any for another month.

## B.C. Lumber Strike Mentioned In House

OTTAWA (CP) — Labor Minister Mitchell today told the Commons his department was keeping in close touch with the strike of British Columbia lumber workers and said "no possible solution will be overlooked."

The minister outlined the Dominion's position in a statement reviewing the background of the dispute.

## Epidemics Kill 5

SAN ANTONIO, Tex. (AP) — The death toll from infantile paralysis and sleeping sickness remained at a known five in Texas today as two more towns, Benavides and Freer, closed schools as a precautionary measure. Rigid precautions continued at San Antonio, Corpus Christi, Rockport, Teague and in other areas.

## 2 Bids On Arena

Two tenders were received by Douglas James, D. C. Frame and Hubert Savage, associate architects, for the footings and foundations of the Memorial Arena today. The tenders were submitted by Commonwealth Construction Co. Ltd. at \$1,000,000 and by George H. Wheaton. The tenders will be opened at a meeting of the arena committee Thursday morning, called by Ald. R. A. C. Dewar, chairman of the arena committee, and a recommendation on acceptance of one of them made to the next meeting of the City Council.

## All Sawmills In Victoria District But One Shut Down And Picketed As 800 Union Employees Quit Jobs

All sawmills but one in Victoria were idle and picketed this afternoon following a complete effecting of the International Woodworkers of America strike at 11 this morning.

The mills had functioned at full blast until the 11 o'clock deadline. Then in an orderly fashion, without hurrying, the workmen turned off their machines and left their jobs.

**ALL-DAY PICKET**  
Picket lines were formed by 11.10 at the sawmills here. Union officers announced a 24-hour-a-day picket would be maintained at the mills.

Some of the workers believed the strike would continue for at least a week.

The shutdown followed a wild

rush by builders and contractors for lumber during the morning.

At the Cameron Lumber Co. Ltd. plant here, one of the largest sawmills in Victoria, dozens of trucks and even private cars lined up during the morning seeking to get the last output of the mills for building purposes.

At 11.10 picket lines cut off trucks entering the mills. No trouble in effecting the picket line was experienced.

Trucks, loaded with wood fuel and lumber, were permitted to leave the yards after the picket lines had been formed.

In Victoria officers of the I.W.A. estimated the number idle because of the strike at 900 to 1,000 on the south end of the Island and 700 to 800 in Victoria district.

## \$30,000 Cold Storage Plant To Be Built

Construction of a \$30,000 cold storage and packing plant on Blanshard Street, between Herald and Fisgard Streets, will be started shortly by J. C. Switzer, who obtained the necessary building permit today. The building will be of hollow tile brick construction. Hugh Savage is the architect.

Other building permits issued were to Cameron Investment Co. for repairs to 607 Yates Street, costing \$2,500; to H. Ashmore, five-room house at 1459 Thurlow, \$5,500; to Mrs. Audrey Warwick, five-room house at 1800 Brighton Avenue, \$5,000; and to C. W. Dibb, a five-room house at 1171 May Street, costing \$5,500.

## Want Union Jack

LAC BEAUFORT, Que. (CP) — The Union Jack as an important, integral part of any flag to be adopted by Canada is urged in a resolution unanimously approved today by delegates to the 29th annual meeting of the Navy League of Canada, now in the third and final day of its sessions.

## Wisner Seeks Dominion Action To Keep Japs From B.C. Coast

Action to prevent the Japanese from returning to British Columbia's coastal zone at the end of the war emergency period was urged on the Dominion government by Attorney-General Gordon Wisner, K.C., during a visit to Ottawa, from which he returned to Victoria today.

Mr. Wisner said he had pressed on the Dominion government that it should face the problem of the Japanese in Canada squarely and pass acts of parliament.

1. To ensure the validity of the three wartime orders-in-council pertaining to the return of Japanese from Canada to Japan.

2. To exclude Japanese from the B.C. coastal zones permanently or at least over a long period.

3. To allocate the Japanese to the rest of Canada in equitable proportions.

The wartime order-in-council, Mr. Wisner said, did not meet the situation in British Columbia, since as soon as the war emergency period was over the Japanese could return to the British

Columbia coast. Nor was the present legal attack on the orders-in-council concerned with the sovereign power of Canada, but with the right of the government to delegate the power to the governor-general in council, and with the language of the orders.

An act of parliament would ensure the validity of the orders, he said, and presumably would eliminate the appeal to the Privy Council on their validity.

"We don't want the Japanese coming back here," Mr. Wisner said. "The orders-in-council do not meet the situation in B.C. All those Japanese not affected by the orders—the majority by far—can return here when the war emergency period is over."

"I said in Ottawa that they must bring in a statute providing for permanent exclusion from the coastal zone of all Japanese."

Mr. Wisner remained in Ottawa to discuss with Dominion government representatives the Japanese problem after attending the Dominion-Provincial conference.

Maintenance men will be permitted to work in the Victoria sawmills on receiving a permit from the union. This action was endorsed so that no damage would be suffered by the machinery being idle.

The sawmill strike will have no effect on the supply of electrical power in Victoria.

While the B.C. Electric Railway Co. Ltd. has a contract with Cameron Lumber Co. Ltd. to supply some power each month, this provides merely a stand-by power source necessary only in time of maximum peak loads or emergency.

May is the smallest load month of the year.

The Cameron power plant, however, will continue in operation. Oil fuel is used.

## Logging Towns Up-Island Fear Power 'Blackout'

Logging and sawmill company communities up-island will not be affected immediately by the woodworkers' strike in so far as electric power supply is concerned.

At Chemainus residents who ordinarily receive electricity for their homes and places of business from the Victoria Lumber Company will not be "blackout" because of an arrangement with the B.C. Power Commission for an emergency power supply.

## PROBLEM AT YOUNBOU

But at two of the island's larger lumber camp communities—the Hillcrest Lumber Company at Masachie Lake and the Industrial Timber Mills at Youbou—homes will be without electricity within three or four days.

As a result stores in those districts were experiencing a rush today on sales of emergency lighting equipment, such as candles, lamps and oil.

A spokesman at the Youbou mill said the company would continue to supply approximately 1,000 residents in the district with electricity until such time as the fuel supply for the lighting plant was diminished.

## 35 HOMES AFFECTED

At Masachie Lake approximately 35 houses supplied by the Hillcrest company will be "cut off" in three or four days when the fuel supply for the power plant there runs out.

B.C. Electric officials in Victoria said the strike would have no effect on Port Alberni, which at one time received power from lumber company electricity plants. A new diesel oil power plant installed there last fall is supplying the needs of the district.

## Thousands More May Be Jobless If Strike Lasts

An estimated 37,000 loggers and sawmill workers walked off their jobs at 11 this morning as sawmill and donkey engine whistles blared in the cities and deep in the woods throughout British Columbia.

In Victoria half a dozen sawmills had worked full blast up until 11 o'clock. Then as the mill whistles sounded, the men turned off their machines and marched from the plants.

This afternoon all plants were idle except for one—the sawmill of the Sweeney Co. on the Industrial reserve. Since negotiations between the union and the company were still in progress, the union Tuesday night voted to permit this company to continue operation.

The strike became inevitable Tuesday night when negotiators representing the 147 employers of 27,000 men and International Woodworkers of America negotiators walked out of a meeting presided over by Chief Justice Gordon McG. Sloan, commissioner appointed by Hon. Humphrey Mitchell, Dominion Minister of Labor, to seek a settlement of the dispute.

(See Story, Page 2)  
The strike had been planned several months ago by the I.W.A. How long the strike would last was not known here today although it was understood Hon. George S. Pearson, provincial minister of labor, had been in touch with Mr. Mitchell by telephone, and the Chief Justice is expected to make recommendations to Mr. Mitchell suggesting how a settlement could be effected.

I.W.A. officers have estimated that within a week or 10 days, if the strike continues, an additional 80,000 more workers in industries secondary to the lumber industry will be out of work because of lack of timber.

Concerned about the strike are the fruit growers of the Okanagan and other areas of the interior who this year are expecting a record apple pick of perhaps 9,000,000 boxes. Without boxes to market the apples and other fruits, the crop is not worth picking.

About one-third of the total incomes of British Columbians will be cut off if the strike continues very long.

## International Complications

The strike has national and international complications.

The shortage of lumber will be felt across the Dominion, in the United States and many countries of the world, particularly Britain, which has been relying heavily on British Columbia's lumber to help rebuild bomb-shattered and demolished houses.

It has been estimated that within a week or 10 days no lumber will be available for house building, and other construction, valued at nearly \$4,000,000, which is already under way in Greater Victoria area. No lumber will be available for several million dollars worth of projected construction, no start on which has yet been made.

The lack of lumber will throw hundreds of plumbers, plasterers, bricklayers, and finishers out of work. Wood fuel will be hard to get.

The virile I.W.A. on the Canadian Pacific coast is the first union in a heavy industry, involving tens of thousands of workers—to make an all-out bid for wage increases and the 40-hour week. In a sense the woodworkers are

the spearhead of an attack for increased wages to compensate for the rising cost of living and for a shorter work week to provide employment for war veterans and others.

The strike here is being watched closely by Canadian Congress of Labor representatives at congress headquarters in Ottawa.

If the I.W.A. gains a 25-cent an hour across the board wage increase for the 37,000 woodworkers in British Columbia's lumber industry, the Regional War Labor Board would be obliged to grant similar wage increases if requested jointly by employers and employees in other heavy industries.

It is considered almost certain that if the I.W.A. is successful, other C.C.L. unions across the nation, including steelworkers, miners and autoworkers, will shortly make a bid for a similar wage increase.

As well as being affiliated with the C.C.L. the I.W.A. is also affiliated with the C.I.O., which in the United States has made several bids for higher wages.

## Byrnes Urges Conference Nov. 12 To Write Treaty For Germany

PARIS (AP) — State Secretary Byrnes of the United States today proposed to the Foreign Ministers' Council that a peace conference be called Nov. 12 to draft a peace treaty for Germany, an American informant said.

In a session completely taken up with discussion of critical German problems, Mr. Byrnes proposed that representatives of Britain, Russia, France and the United States start meeting immediately to draw up a treaty draft for Germany which the Foreign Ministers could present to the peace conference, the informant said.

## ECONOMIC POSITION

Mr. Byrnes was reported to have proposed that the Foreign Ministers' representatives first report on the economic status of Germany to the Foreign Ministers' Council at their next meeting, possibly June 15.

The Foreign Ministers of Britain, Russia and France said they wanted to study the Byrnes proposal before committing themselves.

Today's meeting began with Foreign Minister Bidault of France presenting France's demand for complete separation of the Ruhr and the Rhineland from Germany and for French control of the Saar. Economic measures to control the war potential of those territories were not enough,

he said. There must be political separation.

Meanwhile sources close to the Russian delegation predicted Foreign Minister Molotov would agree to a proposal to summon a 21-power peace conference in July following another four-power conference next month.

## BARS AUSTRIAN PACT

These sources expressed belief that while Mr. Molotov would accede to three of the four suggestions made Tuesday night by Mr. Byrnes, he definitely would not agree to place the Austrian treaty on the agenda for a suggested Big Four Ministers' session June 15.

It appeared, meanwhile, the current conference might wind up its work tomorrow without basic agreement on peace treaties. President Truman's personal plane, already was reported on its way to Paris to return Mr. Byrnes and the U.S. delegation to Washington.

## Must Face Death For Second Time

NEW ORLEANS (AP) — The Louisiana Supreme Court declined today to interfere with the State's scheduled second attempt to electrocute Willie Francis, 18, negro who escaped death May 4 when the electric chair failed at St. Martinville.

## Union Agreed To 18-Cent Boost But Would Not Cancel Strike

The strike which today is being effected in sawmills and lumber camps throughout the province became imminent during the discussions between the International Woodworkers of America and the industry Tuesday afternoon in camera before Chief Justice Gordon McG. Sloan.

The 11-hour negotiations saw two offers from the I.W.A.—one to accept an 18-cent an hour wage increase, instead of their original demand for a 25-cent boost, the other to immediately negotiate with a sub-committee to settle wages and hours.

The operators would agree to neither of these. The union refused to meet the operators' demand that the strike deadline be lifted before negotiating.

The Chief Justice, appointed a commissioner by Hon. Humphrey Mitchell, Minister of Labor for the Dominion government, to bring the two parties together, was unable to effect a settlement and the conference, held at the Courthouse in Victoria, broke up Tuesday afternoon following several adjournments, during which the union and industry negotiators withdrew to separate rooms to discuss proposals.

### TO ARBITRATION

It was understood today that the Chief Justice will recommend to Labor Minister Mitchell that provisions of P.C. 1003, the federal wartime labor code which is still in effect, be invoked. This means that the dispute will go to arbitration.

It is considered possible that the Dominion government, to halt the strike which will be felt across the nation and hold up vital building supplies, may move to take over the industry to get the workers back to work before the dispute has been settled by arbitration.

P.C. 1003 provides for the setting up of a three-man conciliation board composed of representatives of the employees and employers, with a chairman agreed on by the two parties to the dispute, or appointed by the Labor Minister. The board, after studying the dispute, reports to the Labor Minister. Decision of the board is not binding on either party.

### BOTH EXPLAIN

Following the conference with Chief Justice Sloan both the negotiators for the I.W.A. and the operators explained their positions at the meeting to the press.

The union late in the afternoon made a final bid for settlement of the dispute.

The final negotiations had centred about calling off the strike or extending the deadline beyond 11 this morning. The operators had refused to negotiate with the threat of the strike over their heads.

The union negotiators, in their final bid for a settlement, agreed to call off the deadline of the strike, provided the employers would agree to the following:

1. To arbitrate union shop and check-off.

2. To institute a wage increase of 18 cents per hour across the board.

3. To establish a 40-hour work week.

4. To negotiate any other differences that remained.

The industry representatives agreed to the first and last points of this four-barred proposals but announced, following a discussion amongst themselves, that they could not agree to the second and third points.

The union negotiators then went one step further. They agreed to recommend lifting the strike deadline if the negotiators representing the employers would agree to form a sub-committee of four to negotiate immediately wages and hours.

The union negotiators suggested this sub-committee be composed of R. V. Stuart, president of Stuart Research Ltd., chief negotiator for the employers, and Maj. W. Heffner, also of Stuart Research, representing the employers; Harold Pritchett, president of district 1, I.W.A., and Karl Larson of

## Lutheran Convention Continues Today

Annual convention of the Lutheran Pacific Synod, which opened in Grace Lutheran Church here Tuesday evening.

Following the conference Mr. Stuart said the negotiations were right back where they had started.

### CONTINGENT ON STRIKE

"Our proposals were contingent on the strike being called off," said Mr. Stuart. "The union refused to call the strike off and consequently the commissioner finally told us that he would recommend to the minister that the dispute would be dealt with under P.C. 1003."

"The operators refused to negotiate with the strike threat over their heads," he continued. "That is why we insisted on conciliation."

The employers did not apply for conciliation under P.C. 1003 before the union had notified us of its intention to call a general strike effective May 15."

### Said Mr. Pritchett:

"The die is cast. The chips are down."

"We have done everything possible to bring about a peaceful settlement."

The union announcement at the conference with the Chief Justice that it would accept a 18-cent-an-hour wage increase across the board was the first intimation that it would adjust its original demands of a 25-cent-an-hour increase.

The operators during the discussions before the appointment of the Chief Justice as a commissioner had offered a 12 1/2-cent-an-hour increase.

To the union's demands for a 40-hour work week the operators had agreed to institute a 44-hour work week. This they will be required to do on July 1 under provincial legislation passed this spring.

### Toronto School Board Will Defy Coal Order

TORONTO (CP) — The Toronto Board of Education will "defy" the new federal order on coal in so far as it bans use of bituminous coal for heating schools, W. R. Cockburn, chairman of the board, asserted Tuesday night.

The Education Board chairman described the order applying to school heating as "nothing less than stupid," and said the board would defy it on the grounds that "the health of our children must not be jeopardized."

### Veteran Reinstatement Act To Be Tightened Up

OTTAWA (CP)—Members of the Commons Tuesday night levelled such opposition to a bill sponsored by Labor Minister Mitchell that it was withdrawn and sent to the veterans' committee for redrafting.

The bill was aimed at incorporating into the statutes the amendments made by order-in-council to the 1942 act which guaranteed veterans reinstatement in the jobs they held prior to enlistment. Under the bill the orders would have been affixed as a schedule to the 1942 act.

Members described the bill as "contradictory, illogical, unclear, ridiculous, slack, inefficient, un-sound" and an example of "lazy-man's legislation."

In agreeing to withdraw the bill, Mr. Mitchell said that he, a layman—had been given a going over by members of the legal profession on a bill drafted by one of their own profession. The reinstatement regulations have been clearly interpreted up to now. There had been only one prosecution and some 95,000 veterans have been reinstated in their former jobs.

Urges Education  
For Marriage

VANCOUVER (CP)—Dr. S. R. Laycock of Saskatoon, professor of educational psychology, said here Tuesday night that education for marriage in Canada has been turned over to movies and love magazines.

Dr. Laycock, speaking to members of the Vancouver Rotary Club, said "the most extraordinary thing is that we have turned over the sex education of our children to their playmates of the schoolyard and street."

"That seems rather ridiculous to me and I think we should be doing something about it, for the moment a child goes out on the street his or her sex education begins," he said.

Unveils War Memorial  
Of German-Canadians

WINNIPEG (CP)—Lieut. Governor R. F. McWilliams Tuesday night unveiled the war memorial of the German-Canadian Society, a fraternal organization, celebrating its 40th anniversary.

The society contributed 100 members to the Canadian armed forces in the war.

Mr. McWilliams said the names on the honor roll would be an inspiration and a reminder for a long time to come that the German-Canadians did not fall when the freedom of Canada was threatened.

## Fruit Stocks Decrease

OTTAWA (CP)—Stocks of fruit and vegetables, frozen and in preservatives, were lower on May 1, the Dominion Bureau of Statistics reports. There were 15,388,833 pounds of fruit in storage and in factories, compared with 17,706,042 pounds on April 1 and 21,946,857 pounds on May 1, 1945. Vegetables totaled 1,543,783 pounds, compared with 3,421,977 on April 1 and 3,058,878 a year ago.

Canadian Citizenship Bill Passed  
By Commons After Lengthy Debate

OTTAWA (CP)—Completion of clause-by-clause study of the Canadian Citizenship Bill in the Commons Tuesday followed by passage of a half dozen minor measures and a statement on government policy with respect to the future operation of Crown companies.

Formal third reading of the citizenship bill was deferred till the next sitting of the House. It was sponsored by State Secretary Martin and was the subject of lengthy debate.

The act will have these effects once it is proclaimed:

1. Establish and recognize Canadian citizenship. Formerly, the only definition of citizenship was found in the Immigration Act. In future, all Canadian passports will carry the words "Canadian Citizen."

2. Women will be given the right to decide their own nationality. Previously, women have been classed as persons under a disability and automatically assumed the nationality of their husbands. A Canadian woman who marries a man of another nationality now will be able to retain Canadian citizenship if she wishes.

## YEAR'S RESIDENCE

3. Women who marry Canadians will qualify for Canadian citizenship one year after establishing residence.

4. A native-born Canadian, a British subject domiciled in Canada, brides of Canadian servicemen and all those who now possess naturalization certificates will be declared Canadian citizens immediately upon proclamation.

5. Non-Canadians who have served in the Canadian armed forces outside of Canada will qualify for citizenship after one year of such service.

6. The act will maintain the status of British subjects, with the advantage that Canadian citizenship papers will be supplied upon request after the legal period of residence—five years. Once in possession of citizenship papers, they will have the right of entry into Canada and the right to Canadian diplomatic protection.

7. Naturalized Canadians will lose their citizenship if they remain out of the Dominion for six years or more without declaring intention to remain Canadians.

## CONTINUE TO OPERATE

Once the clause-by-clause study of the citizenship bill was completed Tuesday, the Commons.

Heard Reconstruction Minister Howe state the government plans to operate indefinitely the Poly-

mer Corporation, the Crown-owned synthetic rubber plant, Canadian Arsenals Ltd., and the Eldorado Mining and Refining Company, source of one of the world's largest supplies of uranium.

Gave third reading to a bill making it compulsory for weight to be shown on bags containing feed for livestock.

Gave third reading to a bill permitting more than one racing association to hold trotting and pacing meetings at the same race track.

Gave third reading to the Export Act to permit non-resident sportsmen to take home wild turkeys, quail, partridge, prairie fowl and woodcock.

Gave second reading to a bill redefining the boundaries of the Banff and Kootenay Parks in the Rockies and the Riding Mountain Park in Manitoba.

Canadians To See  
British Stage Stars

LONDON (CP)—Canada will see many British stage stars in her own theatres next fall, said Wing-Comdr. Brian Doherty, Toronto playwright and barrister, on his departure for home.

"Many prominent producers and actors are eager to tour the Dominion next season," he said. He planned to make preparations for the Canadian tours as soon as he is discharged from the R.C.A.F.

Expected visitors to Canada from the London stage are: Basil Langton, actor and director, with a repertoire of hits from the King's Theatre and a company, including Dame Sybil Thorndike, Sir Lewis Casson and their daughter Ann Casson.

Norman Marshall, producer of the London Success "The First Gentleman," with "Twelfth Night," Oscar Wilde's "Salome" and several modern plays.

New Gallery Room  
For Carr Paintings

VANCOUVER (CP)—The Vancouver Art Gallery has received two gifts of \$10,000 each.

The money, donated by private citizens who wish to remain anonymous, will be used to help defray the cost of building an addition to the existing property.

The new building will house the Emily Carr collection of 157 paintings recently placed in the custody of the Art Gallery Association, and to provide larger lecture hall space for public functions.

## News Of The Island

Expansion Keynote  
Of Library Meeting  
At Nanaimo

NANAIMO — Expansion was the keynote of the 35th annual conference of the B.C. Library Association held at the Malaspina Hotel here Monday and Tuesday.

In her presidential address, Miss Irene McAfee told the conference that the program for library development in British Columbia had been presented to the Goldenberg Commission and had been favorably received.

"The provincial government has consented to give the B.C. L.A. an annual money grant, and this will be supplemented by a sharp rise in membership dues, which the association voted today," Miss McAfee said.

The association approved a detailed report prepared by its committee on salaries, staff and tenure, which recommended the minimum qualifications and salaries for various grades and positions.

On a motion from the Labor Relations Committee, the B.C. L.A., which is already a member of the Trades and Labor Council

of Canada, voted to affiliate with the local District Trades and Labor Councils in Vancouver and Victoria.

Members were urged to attend a forthcoming meeting in Hamilton, Ontario, at which it is proposed to set up a national library association for Canada. Problems arising from the Cameron Report and pooling of information among regional libraries were discussed at a special workshop of librarians and board members from all regional libraries.

"The present school curriculum is turning out the best-educated pupils in Canada," Dr. G. M. Weir, Minister of Education, told the conference, in an address entitled "The Educational Barometer in B.C."

Adult education, however, he said, must be more highly developed. He expressed the hope that the University of British Columbia would in a few years be able to expand its extension department, to have a large staff of full-time professors and lecturers, who would cover the province with intensive six-week courses in the humanities and practical subjects.

"In this work, the local as well as the provincial and university libraries should be prepared to play an important role," Dr. Weir said.

Officers elected for 1946-1947 were: Mrs. Christine MacNamee, Provincial Library, Victoria, president; Miss Bessie Greenwood, Vancouver Public Library, vice-president; John Lort, Provincial Library, Victoria, secretary, and Mrs. Ruth Goodall, Fraser Valley Union Library, Chilliwack, treasurer.

Materials Ready  
For Duncan Street  
Drainage Program

DUNCAN—Materials to carry out a street drainage program here to cost between \$5,000 and \$6,000 are now coming through, and work will be proceeded with as labor is available, David Burns, city clerk, said today.

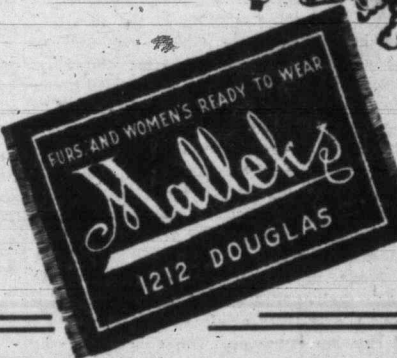

A concrete sidewalk program will also be launched, entailing replacement of asphalt with concrete for distances totaling three-quarters of a mile.

MALLEKS  
SUMMER REST HOMEfor particular  
FURS....

Not only do we offer Fur protection and insurance at Malleks but here your most precious Furs are handled and cared for by people who really KNOW Fur and how to care for them. At Malleks you make assurance doubly sure.

FUR REPAIRS  
RENOVATIONS AND ALTERATIONS

And while your Furs are here it is an excellent plan to have us repair, alter and renovate them. Come in and talk it over.

'Perfect Mother'  
Set Free By Jury  
In Murder Trial

WINNIPEG (CP)—In a modest downtown home, Mrs. Margaret Knight, the 38-year-old "perfect mother," was with her five children today, freed of a charge of murder—the knife-slaying of her 42-year-old husband, Henry Knight.

It took a 12-man jury only 13 minutes Tuesday to return an acquittal verdict before Mr. Justice W. J. Donovan in Court of King's Bench.

The two-day trial brought out a story of years of family strife, bitter quarrels and brutality. It came mainly from the children, three of whom testified for their mother.

Knight came home drunk the

evening of March 31, complained of food served for his supper, and in a scuffle with his wife, after threatening many times to kill her, was fatally stabbed. Mrs. Knight said she had been attempting to take the knife—a long bread knife—away from her husband.

A 15-year-old daughter, Lillian, called her mother "the perfect mother." She told the court "my father was always drunk, and if he couldn't get liquor he seemed to be as bad as when he had it."

Mrs. Knight told a story of an unhappy home, marred by quarrels and brutality. Several times she had been in hospital after her husband had beaten her.

Knight had been unemployed since last August and his wife had to keep roomers. Most of his unemployment insurance was spent on liquor, and at times he tried to get the children's allowance cheques for drink.

Mrs. Knight, surrounded by

friends, left the court, thankful for the words of Mr. Justice Donovan.

"I realize you have suffered considerably," he told her. "I hope your troubles have ended."

## Will HELP Arrive in Time?

The damage your property suffers depends on how fast the fire spreads.

If the walls and ceilings burn, then nothing stops the fire. Unopposed, it leaps like wildfire through the entire building.

This is not the case with GYPROC WALLBOARD or plaster walls, because they won't burn—they act as a barrier and confine the fire. Before the situation becomes hopeless, help has a chance to arrive and take action.

Insist on GYPROC Fire-Protective WALLBOARD—some day it may save precious lives and valuable property for you. Sold by Builders' Supply and Lumber Dealers across Canada.

GYPSUM, LIME AND ALABASTINE,  
CANADA, LIMITED

Vancouver Calgary Winnipeg Toronto-5 Montreal-2

## GYPROC

Fire Protective  
WALLBOARD

The current demand for GYPROC Wallboard is greater than the supply. If your dealer cannot supply you promptly, the fault is not his. He is doing his best to serve you as fast as he receives supplies.

CONSOLIDATE • YOUR BILLS					
You can borrow \$20 to \$1000 today. No endowment or bankable security needed. In 1945 more than 140,000 people borrowed at Household. Their friends recommended Household and they in turn recommended Household too. Apply today—hours 9 to 5 or by appointment.

## TOO MANY PESSIMISTS

BECAUSE THE FOREIGN MINISTERS of the "Big Four" have made little or no progress in their work on peace treaties and other contentious matters the pessimists are beginning to manifest misgivings about the United Nations Organization. Such a lugubrious attitude of mind is not justified. It is less than a year since the participating states signed the Charter in San Francisco. Admittedly, what the ordinary individual regards as relatively unimportant questions have produced the most acrimony between the victorious Allies; but none seriously questions the wisdom of bringing all the points of conflict out into the open so that an intelligent public opinion can be developed.

Of course a war-weary world is impatient with the apparent unproductiveness of conference after conference. It is vitally important to bear in mind, nevertheless, that neither Russian, American, French nor British delegate to the deliberations about to be adjourned in Paris has said anything that might be interpreted as disillusion in respect of the ultimate efficacy of the United Nations. And the general public should find some comfort in the fact that the hasty procedure which produced so many faulty settlements after the First Great War is being studiously avoided under the conditions now prevailing. Annoying as this may seem to the normal mind which cannot conceive of anything more simple than an international agreement to live in peace, it will return dividends later on; for no nation is likely to outlaw itself by emulating the despots of the now defunct totalitarian states.

Some of the misgivings which have made their appearance in recent days, of course, owe their origin to the uncertainty of Russian behavior. The conduct of the delegates of the Soviet Union to the Foreign Ministers' successive conclaves and to the Security Council has disturbed the public mind. Nor has the feeling between the western democracies and the Communist state improved as those who believe in the so-called inevitable conflict between rival ideologies have become more vocal. But those who contend that war always will be the sole instrument for the settlement of international disputes are enemies of their own and the world's security. In other words, permanent peace can be won, must be won, if public opinion marshals its forces.

## EXCELLENT STANDARDS

STUDENTS AT VICTORIA COLLEGE and those graduates of local schools who have proceeded to the University of British Columbia have again demonstrated a high degree of scholarship in their final examinations. Results just made public indicate the maintenance of an excellent standard both at the Craigdarroch Institution and in Vancouver—an achievement the more remarkable owing to the overcrowded conditions under which they have labored.

A full measure of compliment is being showered upon those who attained outstanding distinction in the tests recently completed. Among them are young men and women whose academic capacities have been proved beyond question. They will proceed to higher studies or to fields of practical endeavor where their contribution to the city, province and Dominion should be the greater for the advantages they have been offered and have exploited so admirably.

A notable fact in the yet uncompleted tabulations is the accomplishment of service personnel who have returned from the dislocation of war to take up the threads of education where they left them. Some inability to swing back into the academic life might have been understandable; yet the percentage of veterans who have made the transition with success, as exemplified in the results just published, belies misgivings widely held on their behalf. They and the younger students who have continued their higher education without interruption have amply justified faith in the abilities of their generation.

## NEW FERVOR FOR CAPITALISM

BUSINESS EXECUTIVES AND, MORE than a few leaders of public thought are speculating on the direction the United States Chamber of Commerce will take under the presidency of Mr. William Kenneth Jackson. The reason is not far to seek. For the last four years the guiding hand of this important and influential organization has been that of Mr. Eric Johnston, the boy who organized a small electrical business in Spokane a quarter of a century ago—and rose to national and international eminence during the recent world conflict. Throughout his term of office he is credited with imparting to the Chamber "a patina of liberalism it had never had before," and had "probably made the most eloquent and effective exposition of the new social consciousness of many businessmen."

As he went into the annual meeting at Atlantic City the other day, moreover, Mr.

Johnston declared to newsmen that "it would be suicidal if price control was abolished immediately," and "the worst thing that could happen" to the United States "would be for prices to spiral and for us to have a period of boom or bust." But at the end of the proceedings the same afternoon, the organization "gave its retiring president the back of its hand" as it called for the abolition of all price control, except rent, by October 31. Mr. Johnston's successor, 10 years his senior, described as a "social-minded conservative," gave his blessing to this policy. Hence the speculation to which we have referred.

Parts of Mr. Johnston's valedictory address, however, are worth noting because among them are demands for a "new national fervor" for the "new capitalism" which he advocates—"a human institution, vibrant and evolutionary, capable of constantly adjusting itself to new conditions." This thesis could be applied generally—in Canada as well as in the United States—because it has not been especially common of late to hear a man in public life urge a positive, aggressive pride in the capitalistic system, and at the same time admit its shortcomings. There are many, of course, who will take an aggressive stand for the status quo, and who consider capitalism "a closed and perfect system of life resting on congealed and untouchable dogmas," as Mr. Johnston put it. There are others who are on the defensive, who apologize weakly for the system or, more extremely, charge that capitalism is fundamentally wrong, that it is getting worse, and that it might better be scrapped than overhauled.

To be sure, capitalism may not win a popularity contest in some quarters; the people of Great Britain, for instance, last summer elected a government pledged to a modified socialism. Several of the liberated countries have gone "leftist." But does that mean that capitalism is wrong in theory? Or have Europeans turned their collective back on capitalism because they blame it, as it was practiced in their own countries, for many of the misfortunes that befell them? If capitalism has not worked fairly and justly in China, for example, must we then call it wrong for Canada? Today's capitalism is not the capitalism of 50 or even 20 years ago. It will probably work here and elsewhere better, still with a little more of the "national fervor" of which Mr. Johnston spoke.

## A JOB WELL DONE

NO MORE SINCERE TRIBUTE COULD be paid to the Red Shield Three Services Centre at 1318 Broad Street than that contained in the records of the institution which furnished accommodation for members of the forces during the war years. The number of men who have received hospitality there expresses heartfelt appreciation for the amenities provided them away from ships and barracks. Had it not served its purpose to the full, the totals would have been far below the number actually registered.

As the centre prepares to close today, its directors and all who gave voluntary assistance to its operation can look back upon another job well done. Few institutions met the challenge of the times more effectively. Few organizations enhanced their reputations to a greater degree than did the Salvation Army in this undertaking. At the Red Shield, tired men found rest and refreshment dispensed with a Christian spirit in the finest tradition of a splendid social agency. Their thanks is the greatest praise the centre could receive.

## TRAFFIC SAFETY CHECKS

AS A PRACTICAL MEANS OF ELIMINATING some driving hazards, the current traffic safety check, under way here as part of a continental campaign to reduce accidents, is a forthright effort by the authorities to help the motoring public to help itself. It should return appreciable dividends for the small amount of time each inspection requires. In the course of the six-week period during which the road checks will be made, attention will be given to those mechanical car parts that create unnecessary dangers when in a state of bad repair. A co-operative effort between police officers and drivers, it bespeaks a good reception from all who operate automobiles. Simultaneously, a short film on proper driving practice will be shown to various groups throughout the city in an effort to educate the public more fully on traffic matters—a subject on which more elucidation appears necessary if the lack of observance of such essentials as hand-signaling is any criterion.

## NOT LIKELY

WE POSITIVELY REFUSE TO BELIEVE that Mr. Jean Francois Pouliot has delivered his final speech in the House of Commons. And although he was emphatic in his announcement last Friday that he was definitely "through" with all oral contributions to parliamentary debate, it will be surprising if his constituents in Temiscouata take him seriously; silence in the national forum for this ebullient and experienced French-Canadian public servant is altogether unthinkable.

Whether Mr. Pouliot's voice is heard again in the lower chamber at Ottawa or not—many, of course, who do not appreciate his sense of humor or capacity to annoy them, will hope he means what he says—his friends and critics alike never expect him to meander along the interminable corridors without one or two extempore speeches on anything or nothing during the course of any morning while the House is in session. But the real test of his promise or threat will come when his favorite topics get an airing on the floor of the chamber.

## Walter Lippmann

THE MOST DIFFICULT question to answer, and yet the most important, is whether the dividing line through Central Europe is the frontier at which the Russians and the Anglo-Americans are destined to clash or that they may, is the determining element in the calculations of all the governments, and of every political party, and it is the underlying reason why practically every issue turns out to be insoluble.

I saw something of this line from Berlin through Vienna to Trieste. Speaking with great reserve because the whole situation is immensely intricate, it seems to me that the importance of the dividing line depends upon whether you are looking backward or are looking forward. I think the Allied governments are looking backward and acting on the false assumption that Europe is still, and will continue to be, what it was in the winter and spring of 1945 when all power was in the hands of the Big Three. They have not yet taken proper account of the fact that all of the European nations—all of them—are reviving and will be playing an increasingly active part in matters that were once the apparent monopoly of the Big Three.

IT IS EASY TO FORGET, but important to remember, that this line happens to be where it is because that is where Stalin, Churchill and Roosevelt agreed that their armies could meet and would come to a halt. A different military timetable—for example, an earlier Anglo-American invasion of the Continent—or a different strategic plan—for example, an Anglo-American thrust up through the Balkans—would have produced a quite different line. The line is, therefore, the boundary between three non-European armies which fought their way into Europe from outside of Europe.

Unless they are now going to fight one another, the importance of the line must be diminishing. The political authority of the victorious armies was obviously at its maximum when they were at the height of their military power and when the liberated and the defeated peoples were in the depths of their weakness. But nothing stands still, and if we overcome the tendency to think that things are what they were, we must reckon with the new fact that the dominion of all the Big Three though in different degree, is becoming less and less absolute as the European nations arise from the dust and ashes of the war.

I BELIEVE THAT even in the Russian sphere of influence there are objective indications, which no iron curtain can conceal, that the Soviet authority is not what it was, or what it is cracked up to be. The most telling indication does not depend on what anyone thinks he saw or believes he knows. It is that the rulers of the Soviet empire have not been able to formulate a common European policy for the various Communist parties which look to Moscow for direction and support.

The German Communists are openly opposed to the French Communists over the Ruhr and the Rhineland, and they are opposed—not quite openly but very nearly so—to the Polish Communists over the annexed territories. The Polish and the Czech Communists are deeply at odds over Teschen, the Austrians and the Italians over the South Tyrol, and the Italians and the Yugoslavs over Trieste and Venezia Giulia.

The Communist parties are divided on the nationalist issues which divide Europe. They are united, and follow a common policy laid down in Moscow where the issue is not primarily European but is one of world power between the Soviet Union and Great Britain or the United States.

MY OWN INQUIRIES satisfied me that in Europe the Russian imperialists are having the usual troubles of empire. In ruling over diverse peoples they are confronted with horrid choices when their subjects quarrel. If they decide for the German Communists, Messrs. Thorez and Duclos in France may bow their heads obediently. But the French Communist Party will be sunk. If Moscow opts for the French, it will sink the German Communists, who must live by persuading the Germans that they can restore the unity and greatness of Germany.

The same dilemma confronts Stalin and Molotov wherever they have to settle a European dispute. They would like to support all the Communist parties and not to have to choose between them. This is empire trouble, in essence the same as that which confronts Mr. Attlee when he has to choose between the Hindus and Moslems in India, the Arabs and Zionists in Palestine. I suggest that an important, though not the only, reason why the Soviets are stalling in all these disputed issues is the same as Mr. Attlee's reason for stalling in his imperial difficulties. To decide one way or the other is to invite trouble: for the rulers of empire it is a case of tails they lose and heads they cannot win.

THIS GOES A LONG WAY TO prove, I think, that the duel of the great powers on the military dividing line is likely to be interrupted by the action of the European nations themselves. That will certainly happen if the advocates of a preventive war are checked. And it will probably happen anyway even if they bring the conflict to a showdown of force. For it seems to me in the highest degree probable that the people of Europe could not be mobilized and aligned for such a war. If the third world war broke out, the continent would be plunged into the anarchy of a gigantic civil war amidst which the great non-European powers would never know who was friend and who was foe.

In my next article I shall attempt to discuss the European revolution, which is so great a factor in the conflict of the Big Three.

## GLOBAL SURVEY

By DEWITT MACKENZIE  
Associated Press World Affairs Writer

France's successful quest for financial aid in the United States is going to do far more than provide badly needed material relief, as I see it, and this will be in the way of repairing a grievously hurt morale.

Our French ally had a terrible fall, and was trampled under the hob-nailed boots of the Boche while she was down. All of that she probably could have taken, but she suffered a blow to pride from which it is difficult to recover. That relates to her position as a world power.

It has been tough for France to see her rating drop—tough to hear such blunt statements as that made by Field Marshal Jan Christian Smuts in London at the end of 1943 that at the finish of the hostilities in which "three of the five powers in Europe will have disappeared" (meaning France, Italy and Germany). Russia would be "mistress of the continent."

That wouldn't have cut so deeply if Prime Minister Smuts hadn't foreseen much that has come true. Two of the great powers—Germany and Italy—certainly have disappeared.

## EATING TOO MUCH?

Most People Do and Pay the Penalty!

Many who feel "under the weather" are often guilty of overeating, especially rich, fatty foods. This often leads to a system overloaded with toxic waste, a dull, tired feeling and eventual "middle-age spread." A favourite British method of keeping it and trim despite rich, heavy food is to take Bile Beans nightly. These small all-vegetable pills are so gentle they are called "The Medicine That Wakes Up Nature". Most people eat too heavily, exercise too little, so get BILE BEANS from your druggist and resolve to keep fit and youthfully active.

tainly have disappeared. Many observers would say Russia comes close to being mistress of the continent. France temporarily has lost the strength to implement her claim to her former high title.

Recently, however, France's cloud has shown a bit of silver lining. She has had promise of badly needed foodstuffs. And her doubts as to where she stood in the estimation of her allies must have been relieved by such demonstrations as their recognition of her as one of "the Big Four" at the Foreign Ministers' Conference which, more than incidentally, is being held in the French capital. On top of that she finds the United States glad to carry out financial transactions on the old basis.

Bake sweeter, tastier bread!

**NO WAITING—no extra steps! Full-strength—Fleischmann's fresh active Yeast goes right to work. Makes sweeter, finer bread! And makes it faster! You can be sure of tender, smooth texture—lightness—delicious flavour every time!**

IF YOU BAKE AT HOME, insist on Fleischmann's fresh Yeast with the familiar yellow label. It's dependable—Canada's tested favourite for more than 70 years.

Always fresh—at your grocer's  
**MADE IN CANADA**

The importance of seeing France restored to a state of confidence and well-being cannot be overestimated. For one thing, there will be far less inclination on the part of her public to grasp wildly at political straws in an effort to improve their position.

## Allied Forces Exemption Act, 1946

## WARNING

THE operation of the Allied Forces Exemption Act, 1939 is terminated. The Allied Forces Exemption Act, 1946, is in effect. It provides that—

Where a member of the Forces, entitled to protection under the 1939 Act:

(1) Was discharged before commencement of the 1946 Act (April 11th, 1946) his claim or release shall remain in good standing until its first anniversary (record) date after the 31st day of May, 1946.

**IMPORTANT—Example:** If June 1st is the anniversary (record) date of a claim or date of issue of a placer-mining lease, the member must take out a free miner's certificate valid from June 1st, 1946, and work must be performed and recorded on or before June 1st, 1947.

(2) Is discharged after April 11th, 1946, his claim or lease shall remain in good standing until its anniversary (record) date of claim or date of issue of placer-mining lease first occurring after the thirty-first day of May, 1946, or the date of his discharge, whichever date is the later.

(3) Transfers to the Permanent Forces of Canada, his claim or lease shall remain in good standing until its anniversary (record) date or claim or date of issue of placer-mining lease first occurring after the thirty-first day of May, 1946, or the date of his discharge, whichever date is the later.

(2) and (3) mean, for example:

If the anniversary date is July 1st, 1946, and the date of discharge or transfer is June 10th, 1946, the member must take out a free miner's certificate valid from July 1st, 1946, and work must be performed and recorded on or before July 1st, 1947.

If the anniversary date is June 10th, 1946, and the date of discharge or transfer is July 1st, 1946, the member is not required to take out a free miner's certificate until June 10th, 1947, and work need not be performed and recorded until on or before June 10th, 1948;

If the anniversary date is July 1st, 1946, and the date of discharge or transfer is also July 1st, 1946, then the member need not take out a free miner's certificate until July 1st, 1947, and work need not be performed and recorded until on or before July 1st, 1948.

**IMPORTANT—Notification must be forwarded to the office of the Chief Gold Commissioner, Victoria, B.C., on or before the 31st day of December, 1946, of the member's desire to obtain the protection of the 1946 Act, including:**

(a) Particulars of mineral claim, placer claim, or placer-mining lease, or of interests in respect of which he claims protection; and (b) Sufficient evidence of his qualification for protection. (Certificate from Commanding Officer giving date of enlistment.) Those members, discharged or still in the Forces, who have already provided a certificate of enlistment are not required to furnish additional proof but must comply with the requirements of (a).

**WARNING—Failure of a member to forward this notice means forfeiture of title to his mineral or placer claim, or placer-mining lease, as the case may be, from the anniversary date preceding the 31st day of December, 1946.**

Any member of the Forces in doubt regarding the status of his claim or free miner's certificate should immediately write to the office of the Chief Gold Commissioner, Victoria, B.C., or to the nearest Gold Commissioner or Mining Recorder.

## Goldenberg Hearings Set Ahead 2 Days

Final hearings of the first phase of the Goldenberg Commission inquiry into provincial-municipal financial relations have been set ahead two days to May 20 and 21 at the request of the organiza-

tions affected. It was announced today. The Union of British Columbia Municipalities will make its representations to the commission May 20 and to the Joint Council of Public Employees May 21. Commissioner Carl Goldenberg will then go to Montreal, returning in late July or early August to hear the provincial government present its case.

## Saanich School Board Office Now Storeroom

Saanich School Board office has been turned into supply rooms for the Greater Victoria School Board, as the Saanich School Board personnel closed up business Saturday and moved quarters into the Victoria School Board offices.

Oak Bay School Board records are still stored, for the main

part, in the Oak Bay School Board office, which is in the old Oak Bay High School, but the administrative staff are working full time at the central office.

Office furnishings and equipment from the Saanich office, valued at several hundred dollars, will be divided between the Greater Victoria district office and the new North Saanich School Board office in the Orange Hall, Saanichton.

## War Veterans' Corner

### PRIVATE GETS \$316

The United States Army has a new private at \$315.96 a month. James L. Triplett, 30, of Vallejo, Calif., father of five boys and five girls, enlisted in the U.S. A.A.P., and is getting base pay of \$50, \$7.50 for previous service, \$20.46 for rations, \$28 for his wife, \$30 for the first child and \$20 for each of the other nine.

### STARTS ORCHID FARM

Ex-serviceman R. W. Sodergren is solving his rehabilitation problem by establishing what he believes will be the first orchid farm in British Columbia and possibly Canada. He is purchasing a 15-acre farm near Chilliwack and plans to plant 10 acres with orchid bulbs at intervals throughout the year. And he says when the flowers start to bloom he plans to give a free bridal corsage to every girl who marries an overseas veteran and a free wreath to the Canadian Legion for every veteran's funeral.

### 20,000 BEDS BY 1946

The greatest hospital construction program ever put into effect in Canada should be completed by the end of 1946, when accommodation for more than 20,000 bed patients, 1,600 of them in British Columbia, will be available, according to the Department of Veterans' Affairs. The department already is administering 34 hospitals in Canada, and on completion of the construction program, facilities for veterans' care and treatment will be worth \$50,000,000.

### END OF LINE FOR GIRLS

Toronto's girl street car and bus operators, who once numbered 340, have reached the end of the line. Only 57 still are employed by the Toronto Transportation Commission and they will be replaced by former T.T.C. men as quickly as the men are discharged from the services. Many of the girl street car and bus operators were wives of men in the armed forces.

### SERVED BY COLONEL

When Sgt. Bass Lewis was "processed" through Camp Kilmer, N.J., in 1944 as the millionth soldier to go overseas from the camp, he was asked what he would most like to have when the war ended. "A suite at the Astor and the colonel serving me breakfast in bed," he said. Resplendent in striped pajamas and yellow bathrobe, he lay back among the pillows in his bed at the Hotel Astor recently and saw his wish granted.

### VETERAN TIES FLIES

In Italy, where he operated with the B.C. Dragon, millions of flies made life uncomfortable for Harry Brown, 314 Robert Street. But today, flies promise to pay Brown big dividends. Equipped with feathers, bucktails, polar bear hair, oil silk and other materials, he is engaged in the business of tying several thousand varieties of artificial flies for trout and salmon fishing. He sells his products retail and wholesale and has secured a good market already. Brown got many valuable hints on the art from his brother in the navy, who studied it first-hand in the cities and villages of England during the war.

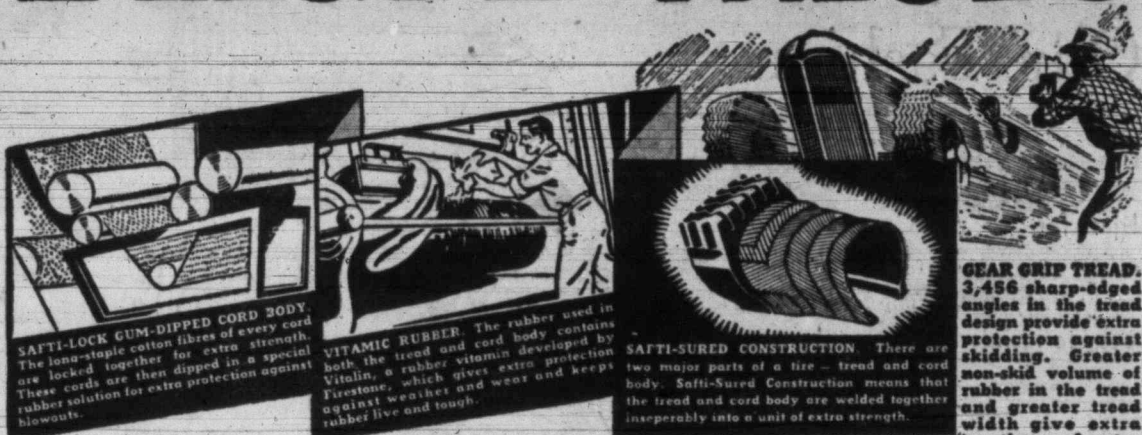

### FROM HERE AND THERE

At their own expense, Canadian servicemen stationed in the occupation zone of Germany can now ship their dogs to Canada. Cost of transportation varies with the owner's rank. A new hotel management and catering course at St. Paul V. Hermitage, Que., is attracting veterans from all parts of Canada. Nearly 200 have registered. Canadian Graves Registration units, responsible for finding, identifying and proper burying of Canadian casualties, still are hard at work in Europe a year after the war's end.

### 1,500 Japs To Leave Canada This Month

OTTAWA (CP)—About 1,500 Japanese who have expressed a wish to be repatriated to Japan will sail from Vancouver during the last week of May aboard the Marine Angel and the General Gordon, the Labor Department said Tuesday. There will be no armed guards aboard the vessels. The ships' captains will be responsible for order under marine law. Movement of the Japanese to the B.C. coast now is underway.

**SALE STARTS TOMORROW AT 10 A.M.** You know "Morris' Tobaccoist"? Well, it's not there. It's next door.

**The WAREHOUSE** 1110 GOVERNMENT STREET

Yes, we're having a Sale. We've GOT TO. No kidding, folks. We're FORCED to have a Sale! The Boss has got tangled up with the law. Been paying the staff too much dough! Ottawa says, "Stop that! Wages are frozen and that money belongs to us. 12,000 dollars, please, or else!" Now, isn't that reason enough for having a sale? Isn't that reason enough for having a stroke? So we've got to cough up a miserable 12,000 bucks! Are we mad? Well, watch the slaughter of prices!!!

**CORSELETTES** One-piece foundation garments. Satin with lace braisier. Latex side panels. Zipper fastened. Sizes 34 and 36 only. Regular price \$3.95. **2.95**

**Ladies' Millinery** Smart summer straw and pastel felt. High crowns. Flower-bedecked, or black trim. Values to 2.95. **1.95**

**Ladies' Dresses** Street dresses in silk crepes. Printed or plain colors in a large assortment of styles. Sizes 11 to 15. Values to 4.95. **4.95**

**Ladies' Dresses** Washable crests. Broken lines selected from the various racks. Large assortment of styles and colors. Sizes 11 to 15 and 16 to 18. Values to 5.95. **1.95**

**Ladies' Dresses** Silk crepe pastel printed models. Sizes 12 to 16. Values to 4.95. **2.95**

**Ladies' Sole-ettes** Sizes 4½ to 10 and 10½. Note the price. Regular price 3.50. **1.9¢**

**Now read this ad through carefully.** Starting at the top. If you think you're being gypped, Then call a thinking cop.

**TEA TOWELS—** Linen cotton mixture. Slightly substandard size. Regular price 20¢. **17¢**

**CHEESECLOTH** Handy five-yard packages. **29¢**

**DISH CLOTHS—** Multi-colored cotton. **7¢**

**GLO TOWELS—** Cleans and polishes. Five to a box. Regular 10¢. **7¢**

**FIFTY FLOOR CLEANER** Regular 20¢. **7¢**

**SUPREME BRAND Aluminum Saucepans** These are extra heavy, with strong handles. There's not many, so get a move on. Regular 1.00. **69¢**

**CUPS AND SAUCERS—** Serviceable white kitchenware. Regular price for Cup and Saucer, 35¢. **19¢**

We've got to raise some money, folks. The law's caught up with us. It's cost the Boss 12,000 bucks. Because he missed the bus. He's paid out the muck to the staff. But as the law now goes. You cannot give your dough away. Cause wages have been frozen. It isn't like those Aldermen. The Mayor and the M.P.'s. They say themselves just what they like. Because it didn't freeze! So that's the truth, "so help me," folks. And thereby ends my tale. We've got to raise 12,000 bucks. That's why we have this sale.

## Personal Notes

Lieutenant-Governor and Mrs. W. C. Woodward returned to Government House this morning from Vancouver, accompanied by their daughter, Miss Mary Twigg Woodward.

Leaving today for Vancouver, Mr. and Mrs. J. E. Hulford, Quadra Street, will attend the graduation from U.B.C. Thursday of their son, Mr. Edward Hulford.

Dr. and Mrs. W. E. M. Mitchell, Cranite Street, will leave tonight for Vancouver to attend the graduation Thursday from U.B.C. of their daughter, Miss Pamela Mitchell.

Mrs. C. W. Pepper, Cedar Hill Road, left Tuesday for Vancouver where she will attend the convocation ceremonies for the 1946 graduating class of U.B.C., of which her daughter, Miss Peggy Pepper, is a member.

Dr. H. A. McLeod left for Vancouver Tuesday night, where he will act as chairman for the annual B.C. conference of United Church of Canada in St. Andrew's Wesley Church. Mrs. McLeod will join him there today. Thursday they will attend convocation at U.B.C., where they will see their son Hugh receive his B.A.

Mrs. M. P. Hilton Weeks of Victoria is spending several days in Montreal awaiting passage on the S.S. Cavina, the middle of May for England. Mrs. Weeks will visit her parents in Norwich, Norfolk, after an absence of seven years.

Out-of-town guests at the Meredith-Herbert wedding today included the groom's parents, Mr. and Mrs. C. F. Meredith of New Westminster, and his sisters, Misses Pat and Diane Meredith; Mrs. W. Richardson of New Westminster and Mrs. M. S. Martin of Duncan.

Mr. and Mrs. A. Pednault and their two small sons have returned to Victoria after a short holiday at Ganges Harbor, visiting Mrs. Pednault's parents, Mr. and Mrs. G. Dewhurst.

Dr. and Mrs. A. C. Sinclair, 1152 Dallas Road, left for Vancouver this afternoon to attend convocation ceremonies at U.B.C. Their daughter Jean is a member of the graduating class. Mrs. B. E. Nickells, 1837 Beach Drive, will also attend to see her son Robert graduate.

Mr. and Mrs. G. A. Vantreight Sr., Tyndall Avenue, Gordon Head, will leave tonight for Vancouver, where they will attend the graduation Thursday from the University of British Columbia of their daughter, Miss Elsie Vantreight. Mr. and Mrs. G. A. Vantreight Jr. will also attend the convocation.

Mr. and Mrs. P. J. Edmonds, 1360 Pembroke Street, leave for the mainland tonight to attend university convocation ceremonies, where their daughter Mildred will graduate. Mrs. W. H. Wilson, 80 Howe Street, will also be among Victorians attending convocation, to see her daughter Nan receive her degree.

Honoring Miss Augusta Marshall, whose marriage to Mr. Bill Lewis will take place Saturday entertained at the home of her mother, 2276 Cadboro Bay Road, with a miscellaneous shower Monday evening. The guests were Mesdames G. W. C. MacNeill, G. Marshall, C. Brooks, L. Wagner, J. Miller, C. Joyce, D. Richmond, Misses D. MacNeill, A. Harness and A. Peacey.

In honor of their daughter Non's tenth birthday, Mr. and Mrs. G. Shove gave an afternoon party at their home, "Galilee," Ganges Harbor. Those present were Mrs. G. Crofton, Mr. and Mrs. D. K. Crofton, with Patrick, Michael and Sharon; Mr. and Mrs. F. Norris with Wendy and Bobby; Mr. and Mrs. K. Butterfield and Ann. Mr. and Mrs. A. J. Eaton, Mrs. C. Springford, Misses Denise and Dulcie Crofton, Lucy Gall, Alan Wilson and Ronnie Wetherall.

Take 2 dressing course... make your holiday togs as you learn!

## Stop That Cough And Sleep Well

A wakening cough keeps you awake at night and is a heavy strain on your vitality. Bronchial tubes are constantly irritated. Reid's Bronchitis Remedy has been developed especially to meet this condition. It is made from a soothing emulsion of Canadian balsam. Reid's Bronchitis Remedy is on sale for 50c and 90c at all Cunningham Drug Stores and other drug stores.

A Facial by Isobel will leave your skin glowing, refreshed, beautiful!

Annas Taylor  
BEAUTY SALON  
1061 BROAD E 6013

Mrs. W. Almond of Vancouver will receive her friends Thursday afternoon from 2 till 4 at the home of her niece, Mrs. A. Farey, 637 Francis Avenue.

Mrs. W. R. Gunn returned today to her home, 1251 Victoria Avenue, after a plane trip to Prince George last Wednesday to adjudicate the musical festival there.

Mr. and Mrs. W. Stuckey, McNeill Avenue, and their daughter, Miss Muriel Stuckey, are visiting in Winnipeg, where they attended the Levers-Stuckey wedding Saturday evening.

Leaving today for Vancouver, Mr. and Mrs. Laurence Woodward, Dufferin Avenue, will attend the graduation ceremonies at U.B.C. Thursday afternoon, in which their daughter, Miss Faith Woodward, will take part.

Mr. and Mrs. Claude L. Campbell, Ryan Street, will be among those Victorians attending the U.B.C. convocation Thursday at Point Grey, Vancouver, their daughter, Miss Barbara Campbell, being a member of the 1946 graduating class.

Laurelyn May were the names received by the small daughter of Mr. and Mrs. M. O. Lewis at a christening ceremony performed Sunday at Metropolitan United Church by Rev. A. E. Whitehouse. Mrs. H. Stone acted as godmother. Later, Mr. and Mrs. Lewis entertained a few friends at their home.

The regional conference of the Canadian Federation of University Women for British Columbia will be held in Vancouver Saturday with the Vancouver club as host. Delegates from the Victoria Club will be Mrs. D. L. MacLaurin, president; Mrs. J. L. W. Price, first vice-president, and Mrs. J. M. Thomas, who will present a paper on youth and jobs in Canada. They will leave Friday for the mainland.

Victoria hostesses who entertained members of the U.B.C. Players' Club over the week-end were: Mesdames B. E. Nickells, Alastair Campbell, H. C. Kinghorn, H. O. English, W. G. Scott, H. A. Beckwith, Webb, H. E. Young, Williamson, R. S. Yates, Ian Angus and Miss Grace Tuckey. After the performance on Saturday evening, Miss Verene Maurer entertained in honor of the group at her home on Elk Lake.

Honoring Miss Joy Merriman, a bride-elect of this month, and Miss Norma Brenne, who is leaving for Vancouver shortly, Miss Lenora Waring entertained at her home Tuesday evening. On arrival, the guests of honor were presented with corsage bouquets. Miss Merriman also received a novelty sandwich tray, and Miss Brenne, a bracelet. Those invited were Misses Joan Burne, Anne Carson, June Flinnion, Bonnie Leveridge, Dorothy Smith and Pat Waring.

## Oma Herbert Wed Quietly This Morning

A quiet ceremony performed this morning at 10 in St. John's Church united in marriage Oma Herbert, second daughter of Mrs. S. Fairfax-Brown, 2770 Burdick Avenue, and the late Stanley Fairfax-Brown, to Peter Charles Meredith, only son of Mr. and Mrs. C. F. Meredith, New Westminster. Archdeacon Neville Bright read the service, and during the signing of the register, Mrs. Iris Paver sang, "Day of Golden Promise." F. Chubb was at the organ.

For her wedding, the bride chose a dressmaker suit of wool gabardine in turquoise blue, later donning a matching topcoat for the honeymoon trip. A matching picture hat of straw was trimmed with white flowers and veiling, and she carried a corsage bouquet of sweethearts with a white prayerbook.

Given in marriage by Professor E. S. Fair, the bride was attended by Miss Pat Meredith, wearing a dressmaker suit of parchment gabardine, picture hat of pink straw and corsage bouquet of red roses. Robert Fricker supported the groom and Ken McNeill was assisted in ushering by David Cook.

A wedding breakfast was held at the Empress Hotel, where mothers of the couple received the guests, assisted by Mrs. G. L. Hopkins, an old friend of the bride's family. The bride's health was proposed by her uncle, William Fairfax-Brown of Chilliwack.

Leaving by plane for a honeymoon in Calgary and Banff, Mr. and Mrs. Meredith will return to reside in Vancouver.

## For Anglican Appeal

An exhibition of pastel portraits and watercolors is being given by Mrs. Hester Wilkinson from May 15 to 22, inclusive, at her home, "Longlow House," opposite Colwood golf course. During the exhibition Mrs. Wilkinson will make silhouette drawings of visitors in aid of the Anglican Advance Appeal.

## MERCOLIZED WAX CREAM

for COMPLEXION  
The thin outer layer of skin called the scarf skin is the oldest of skin layers. It becomes dull, drab, freckled and browned by wind and sun, covering up the natural skin beauty. But Mercolized Wax Cream with its lovely bleaching action on the skin surface will be a delightful surprise. New skin beauty results with a soft glowing freshness and radiance. Use only as directed.

Saxellite Astringent subdues the prominence of premature fine lines and wrinkles, giving a feeling of temporary firmness to outer layer of skin. Refreshes, and removes excess surface oil. Use daily. Sold at Cosmetic Counters Everywhere.

Ration coupons valid Thursday are: Meat, Nos. 29 to 37; sugar, Nos. 51 to 54; and butter, Nos. R1 to R8.

**Receive U.B.C. Degree In Social Work**

MISS BARBARA SMITH

MISS BARBARA SLOAN

Members of a small group of students majoring in social work, Miss Barbara Smith, B.A., daughter of Mr. and Mrs. H. L. Smith, 3052 Admirals Road and Miss Barbara Sloan, B.A., daughter of Mrs. William Sloan, St. Patrick Street, will receive their Bachelor of Social Work degree Thursday at U.B.C. convocation exercises.

The Department of Social

Work at U.B.C. has obtained recognition from many points in Canada and the United States and is only the third school of social work in Canada to be recognized by the American Association of Schools of Social Work. In addition the University of British Columbia is the only university in Canada offering a course in group work. This was established in September, 1945.

**Dorothy Dix****POWER OF THE PEN**

The dullest of us are not insensible to the part that letters play in our lives. We know how a bright, gay, newsy letter can cheer us up and put new hope and courage in us, and how one that is saddened with tears and complaints and dismal forebodings and that reads like the Lamentations of Jeremiah, can depress us almost to the point of suicide.

We know that when we are in far countries the sublimest scenery on earth doesn't look as good to us as a letter from home, and we know the despair that eats our hearts out when we look for the letter that never comes. Scarcely a one of us who has not tucked away among our treasures an old love letter, or the scrawl of a little child's first letter to us.

**POWERFUL INSTRUMENT**

Recognizing thus the power of the letter as a builder-up or a tearer-down of morals, it is strange that we so completely ignore its ability to function in another most needed capacity, and that is as a solver of family discords. Its mission would be that of the pacifier, the pouring of oil on the troubled waters, and it would do more than any other one thing to end the incessant squabbles between husbands and wives, and parents and children, that make so many homes nothing but a battlefield on which the fight never ceases.

We often hear it said that if a brawling couple would get together and talk over their differences, they could straighten them out. Nothing is less true, because, in the first place, nothing can be more irritating than the human voice and it is never so much what people say to us that gets on our nerves as the way they say it. The simplest expression can become a fighting word.

In the second place, a disagreement between husband and wife, or parents and children, can never be settled by word of mouth but

cause no one will stick to the subject about which they differ. It may start over as simple a thing as the breakfast coffee tasting like hogwash, or the wife having paid too much for a hat, or the husband having hired a pretty young secretary, or whether Sally is old enough to use lipstick. But before they know it they have dragged in all the family skeletons and resurrected old grievances, and Mama is in tears and Papa bangs the door behind him and starts to his office. And another home is on the skids.

Now if disgruntled husbands and wives would sit down and write out a full statement of their peevishness with each other instead of discussing them viva voce, it would practically end domestic strife. To begin with, when the great majority of husbands and wives listed the faults of their mates, they would find that they were offset by so many virtues that they would wonder why they were silly enough to let them break up the happiness of their homes.

In the second place, in a letter the aggrieved party would have a chance to state his or her case, as he or she could never do in the heat of a bitter argument, and it would give the party of the second part the opportunity of thinking the matter over calmly and dispassionately and realizing that a wife had a right to an allowance and a husband to good meals, and both had a right to their opinions.

And, in the third place, the writing of a letter involves delayed action, and it would prevent many a divorce if a husband and wife entered into a correspondence about it, instead of putting on their hats and rushing to their clubs, or going back home to mother.

**I.O.D.E. Chapters Meet In Winnipeg**

The 46th annual meeting of the Imperial Order Daughters of the Empire will be held at the Royal Alexandra Hotel, Winnipeg, May 25 to 30.

Official opening ceremonies are planned for May 25 and a service of intercession will be held in All Saints' Church, on May 26. Business meetings commence May 27 and conclude May 30.

Members from chapters across Canada will attend this annual meeting of the I.O.D.E. Mrs. J. L. Gates of Victoria, fourth vice-president, Provincial Chapter will be among the delegates.

**P.T.A. News**

**North Ward**—The sum of \$96 was realized at the spring tea opened by Mrs. G. Harris, president, and convened by Mrs. F. Maudsley. In charge of stalls were: needlework, Mrs. G. Harrington and Mrs. M. Work; contest tickets, Mrs. E. Moore and Mrs. W. Winters; homecooking, Mrs. J. Robertson and Mrs. G. Crabb; hot dogs, Mesdames R. Storey, O. Dyson and C. Brown; Red Cross stall, Miss M. McKilligan. Miss I. Tuck and Mrs. Harris poured tea at the guest table. Serving tea were Mesdames J. Strong, D. Donaldson, L. Leask and Lunt. Entertaining at the tea hour were Jacqueline Barnes, Robert Dyson, and pupils from Quadra primary school. Mrs. A. McLeod and Mrs. Howarth convened a whist party in the evening. Next meeting will be held Monday at 8 in the auditorium.

**Ganges Hospital Day Well Supported**

Over 300 persons visited the Lady Minto Gulf Islands Hospital at Ganges Harbor on Hospital Day, and the sum of \$358.25 was cleared for the work. Mrs. J. Dewar and the matron, Mrs. B. Peterson, received the guests.

Several cash donations and hundreds of gifts of linen, groceries, glass, china, and farm produce were received. Miss Anna Lees and Mrs. F. M. Mount displaying these. A stall of baby woolens was in charge of Miss Mary Lees, and Miss K. Stewart told fortunes. A fruit cake donated by Mrs. V. C. Best, was a contest prize. Mrs. G. Lowe was in charge of decorations and Mrs. G. St. Denis was tea convenor, assisted by Mesdames D. Fyvie, F. Sharpe, W. Palmer, L. D. Drummond.

Gavin C. Mouat conducted an auction of unused hospital furniture and equipment which realized \$252.75 for the funds. Mrs. W. Hastings took donations towards the new ambulance, which was on display, \$500 now having been given towards it.

## T.C.A. Would Not Use Gordon Head Airport, M.P. Says

Should an airport be established at Gordon Head, Trans-Canada Airlines still would continue to use Patricia Bay air base, Maj.-Gen. George R. Pearkes, V.C., M.P. for the Nanaimo riding, told the Saanich council Tuesday night in a letter tabled for discussion at a meeting in the near future.

Also set aside until the airport question is dealt with by the council was a letter from the Britannia Branch of the Canadian Legion which opposed the Gordon Head airport proposal.

Mr. Pearkes wrote that it was most unlikely that the government would finance the construction or maintenance of a second airport in the vicinity of Victoria. "For all government purposes,"

his letter stated in part, "the facilities at Patricia Bay are considered adequate for the needs of present, and those of the immediate future. Patricia Bay can and is providing the requirements for all commercial flying at present indicated."

### PRIVATE PLANE USE

Under certain conditions, his letter continued, privately owned planes may use the facilities of Patricia Bay airport. These conditions needed clarification; they might even be extended, he said.

If the proposal to develop an airport at Gordon Head was proceeded with, there would be little or no financial assistance from the government, he repeated.

"It is doubtful if there is adequate space at Gordon Head for anything but a small municipal airport suitable for light aircraft such as might be used by individuals or members of a flying club. To what extent this type of flying will develop is problematical," Mr. Pearkes added.

He said that under any circumstances T.C.A. would continue to use Patricia Bay, and "it is just possible, though unlikely, that Canadian Pacific Airlines or some other feeder line, if authorized, might operate from the airport at Gordon Head instead of Patricia Bay, provided the Gordon Head airport was equipped with facilities comparable to those at Patricia Bay."

"In short," Mr. Pearkes concluded, "the facilities at Patricia Bay are available for commercial flying, and the wisdom of duplicating these should be given careful consideration before embarking upon a heavy expenditure."

The legion in a letter signed by B. R. Cozens, secretary-manager of the Britannia Branch, pointed to the wasting of valuable time by officials trying to agree to build an airport at Gordon Head.

Building of adequate runways would take at least two years, the letter stated, and great quantities of material needed for housing projects would be required.

The only comment on the letters was made by Councillor J. W. Casey, Ward Seven, who, referring to the use of Patricia Bay pointed to a case in Victoria where a pilot had to keep his small aircraft at Cassidy near Nanaimo, and had to travel that distance each time he wanted to use the plane.

"This is not a fairy tale, but a fact," he told the meeting.

### C.N.R. Appointment

J. M. MacRae, assistant freight traffic manager, Canadian National Railways, Montreal, has been appointed freight manager

## Baptists To Build Church, Hall Near Elk Lake Hamsterley

A plan to construct a Baptist church and hall on the East Saanich Road at Elk Lake was announced to the Saanich council Tuesday night by a three-man delegation from the religious group, who sought information as to water facilities in the district.

The church will be constructed on land donated by J. N. Edwards, one of the delegates to the meeting. It is situated approximately 150 yards south of Hamsterley. Other delegates were H. A. Arnold and J. A. Dinsmore.

G. T. Devereux, representing fruit growers of the municipality, offered advice on controlling weeds along the roadways, mainly Canada thistles and morning glory, by the use of a chemical, alticide. He said the practice of the municipality to cut the weeds down did not stop the seeds from being blown into farms.

Reeve A. G. Lambrick will choose a chairman for the municipality in the forthcoming national clothing campaign for the relief of war-torn countries. E. T. Kenney, provincial chairman of the drive, asked that a member of the council be appointed to the position if possible. Each councillor declined.

An unnamed road from Saanichton on the East Saanich Road to Heals on the West Saanich Road will be designated as Wallace Drive in a streets naming by-law to be presented soon. The road will be named after W. O. Wallace, retiring president of the Saanich Board of Trade.

Of seven tenders received in the purchase of a car for the municipal health department, a Plymouth was bought for \$1,354. A \$350 trade-in offer on a 1939 Chevrolet was turned down and the ceiling price of \$536 will be sought in a public sale.

The Greater Victoria School Board will be asked to take action in the damage by a contractor's trucks at Cloverdale School of a sewer pipe. Councillor Robert Noble said sewage was draining on Quadra Street from a break in the pipe and required immediate attention.

B. Mann's complaint that electrical wiring regulations were being violated at the Royal Oak Municipal Hall will be investigated, Reeve Lambrick said. Mr. Mann referred to electrical cables to the police radio system which, he said, went through a hole in a window frame. A resident recently was prosecuted in court for having a similar condition exist on his property, the complainant stated.

### To Be Synchronized

VANCOUVER (CP)—Employees' delegates to the civic conciliation board here have agreed to forego their request for clerical staffs working in outside shops to have their hours adjusted to conform with those of employees in the City Hall.

Ald. C. G. Miller said it would be almost impossible to make such an arrangement, since it would be an intolerable position to have the clerical help on a different time schedule from the workmen with whom they are working.

for the western region with headquarters in Winnipeg, according to an announcement by George R. Fairhead, general freight traffic manager for the company.

## To Grow Corn Broom For New Industry

A new industry for Vancouver Island, the manufacturing of corn brooms, will be started in Saanich in the near future.

The municipal council Tuesday night granted a license to H. Earl, 123 South Turner Street, to establish a broom manufacturing plant on two acres on Del Monte Avenue.

Mr. Earl, a broom maker by trade, told the meeting it was his plan to grow corn broom on one of the acres of land, and to build his factory on the other. "They have had success on the

prairies in growing corn broom and I think it can be done here," he said.

He stated also his plant would employ three or four men after it was in operation.

Building permits have been issued to H. Ashmore to build a 5-room house at 1459 Thurlow Road, \$5,500; to Mrs. Hilda Russell to convert 1633 Davie Street into a two-family dwelling, \$300; to R. McCoubrey to build a 5-room house at 2634 Mt. Stephen; to M. Schleppe to convert 123 Cambridge Street into a three-family dwelling; to T. M. Retuck to convert 1217 McKenzie Street into a two-family dwelling, \$700; and to F. Dewsnap to convert 740 Caledonia Avenue into a two-family dwelling, \$500.

## Committee Chosen To Seek Dial Phones For All Of Saanich

The Saanich Council at a meeting Tuesday night decided to take action in the procuring of a dial telephone system for the whole of the municipality.

Councillors W. C. Kersey, George Amstin and J. W. Casey were appointed to interview B.C. Telephone Company officials on the question.

Also efforts will be made to allow residents in all parts of the 55-square-miles of Saanich

to phone municipal offices without being charged long-distance rates.

Arrangements were made in 1939 for phone calls to be made to the Royal Oak municipal hall

from any part of Saanich at ordinary rates. But since then other municipal offices had been opened away from the hall and the same arrangement did not exist with them.

## CALM JUMPY NERVES! YOU NEED MORE LIVER BILE

# The New 1946 CHEVROLET

The new 1946 Chevrolet is the best Chevrolet ever built, with brilliant new styling, beautifully fashioned Body by Fisher and all the proved quality and dependability which have caused Canada to put Chevrolet first in sales, in so many pre-war years. Outstanding appearance features include: new Beauty-Leader Styling; new Wide-Wing radiator grille; new hood ornamentation; new color harmonies; distinctive new instrument panel; and massive new "Car-Saver" bumpers both front and rear.

The same sterling quality — the same deep, through-and-through goodness which has won your preference in the past — also characterizes every detail of Chevrolet engineering. Notable features include: Chevrolet's proved Valve-in-Head Thrift-Master Engine for performance with economy; the famous Unitized Knee-Action Ride for comfort; Extra-Easy Vacuum-Power Shift and Shockproof Steering for driving ease; and Positive-Action Hydraulic Brakes for smooth, safe, positive stops.

For years, Chevrolet has been the most economical of all largest-selling low-priced cars, from the all-round standpoint of gas, oil, tires and upkeep; and the new Chevrolet for 1946 is designed and built to maintain this reputation for highest quality at low cost. We cordially invite you to see this beautiful new motor car, with full confidence that when you have weighed all its advantages of beauty, performance and value, you, too, will decide to Choose the Leader — Chevrolet!

### Designs For Canada's Flag Cut To 12 By House Selection Board

OTTAWA (CP)—With selections cut to 12 designs, the Parliamentary flag committee spent an hour-and-a-half Tuesday wrangling over procedure before deciding to continue by ballot the process of elimination.

At the opening of the session the 36 members of the committee who voted on 76 designs of an original total of 2,500 found their vote had centred on a dozen designs which were on display.

The members decided to cast another ballot in favor of their choice among the 12 remaining designs in an effort to whittle the number still further. The result of this vote will be announced after today's meeting of the committee.

#### HOW MEMBERS VOTED

Designs now before the committee, names of their authors and the votes they received include:

1. A red design with a golden maple leaf in the fly in place of the traditional coat of arms; designed by Donald Baird of Truro, N.S.; 15 votes.
2. A flag composed of red and white triangles bearing a green maple leaf in the centre of the diagonal line separating the two colors; designed by La Ligue du Drapeau National of Quebec; 5 votes.
3. A white ensign with a red maple leaf in a red circle in the fly bearing four diagonal blue stripes; designed by J. W. Leroy Holman of Summerside, P.E.I.; 4 votes.
4. A white ensign with a green maple leaf in the fly; submitted to a Montreal La Presse competition and adjudged the best entry by Hugh Savage of Duncan, N.C.; 3 votes.
5. A flag with a silver and red crown on a blue square in the masthead corner and three red maple leaves on a white field in the fly; designed by Col. A. F. Duguid, Army heraldry expert; 2 votes.

Seven other designs received one vote each.

#### URGES EXPERTS' ADVICE

Rene Baudoin, Lib., Vaudrevill-Soulanges, Que., moved a three-point program for the committee to follow: The dozen remaining flags to be analyzed by experts who would report back to the committee; the experts would appear before the committee to give evidence; arrangements would be made to have the 12 flags made up in standard size and flown from a masthead so committee members could get the full effect of the respective designs.

This motion was not voted on but an amendment, a compromise of motions by Senator J. P. Howden, Lib., Manitoba, and Maurice Gingues, Lib., Sherbrooke, Que., was carried. It provided for continuance of the process of elimination.

Arthur L. Smith, P.C., Calgary West, said he wanted to see a national flag which was acceptable to all Canadians and he cautioned against haste and said he would like to see members go back to their party caucuses with broadened views.

Double Shift Spraying Caterpillars In City  
In an effort to curb the tent caterpillar menace a double shift is being put on the power sprayer, so that it will operate 16 hours a day, W. H. Warren, parks superintendent, said today.

Using arsenate of lead spray practically all the boulevards have been done now, Mr. Warren said, and work is starting on the parks.

After the parks have been sprayed work will begin on all city-owned vacant lots.

### Kiwians Enjoy Musical Program

Two singers and a pianist entertained members of the Kiwanis Club at a luncheon meeting held in the Empress Hotel Tuesday.

First artist was Miss F. Scoble, who sang "Serenade" and "Without a Song." Miss Elise Nesbitt gave a piano solo, and was followed by J. Oakman, who sang "I'll Give Three Songs of Araby" and "Old Road," with Miss Vera Wood accompanying him on the piano.

### Most Voters Think Government 'Acted Wisely' In Spy Case

By CANADIAN INSTITUTE OF PUBLIC OPINION

TORONTO — While there is some objection in the Canadian electorate to this or that angle of the government's handling of the Soviet spy case, a majority of voters feel that, on the whole, the government "acted wisely" in the matter.

Ordinary voters were given a chance to register their attitudes towards the alleged espionage ring when the Gallup Poll of Canada, using modern opinion research methods, put these questions to a cross-section of Canadians over 21 years of age:

"Have you heard or read of the Russian spy reports in Canada?" Have heard 93 per cent, have not heard 7 per cent.

To some Canadians who have followed the large scale news reports on the spy case, it might seem inconceivable that seven in every 100 adults in Canada had not heard of the matter, but actually, experience shows, this figure is quite low, and indicates an unusually widespread interest in, and coverage of, the reports. On Canadian farms, 13 per cent of those interviewed said they had not heard of the case, compared with 4 per cent in the big cities.

The national 93 per cent who had heard of the reports were then asked:

"In general, do you think the government acted wisely in this matter, or is there anything about their policy with which you disapprove?" Government acted wisely 61 per cent, disapproved policy 16 per cent, undecided 16 per cent.

Disapproval is highest (31 per cent) among voters who today support the C.C.F. party, and lowest (11 per cent) among Liberal supporters. Among Progressive Conservative voters, dis-

approval amounted to 16 per cent.

Those who registered their disapproval were asked a third question:

"Of what do you disapprove?"

Answers covered all angles of the famous case. Largest group (20 in every 100 of the objectors) disapproved what they felt was suspension of the rights of citizens; holding the accused "incommunicado" or acting contrary to British justice. Next largest group (15 per cent of the dissenters) disapproved of the publicity given the case. Third group thought "government" had been too lenient.

Deputy Minister of Public Works, Arthur Dixon, has been granted six months' leave of absence due to illness, Public Works Minister E. C. Carson announced today.

### CUT DOWN ON TAKING LAXATIVES THIS WAY

See How Regular You Can Be Every Morning

Try taking Carter's Pills this way: Start with 5 and set a definite time every morning. When you get regular every morning cut down to 2. After a few days, try 1.

Then try taking Carter's every other day. You may even find you can keep regular without any laxative.

You see, Carter's are so tiny you can cut down the dose—from 5 to 1—to fit the needs of your individual system. Without disappointment. Carter's help clean out your intestinal tract not half way, but thoroughly. They are doubly effective because made with two vegetable herbs compounded properly for thorough, easy action.

Thousands eat cut down on laxative doing this Carter's way. Ask for Carter's Pills by name to get the genuine at any drugstore—25¢. Start the Carter's dose method tonight, and jump out of bed tomorrow rarin' to go.

### B.C. Historical Association Meets

W. E. Ireland, provincial archivist, discussed the larger issues in the Oregon, boundary controversy of nearly a century ago, at a general meeting of the British Columbia Historical Association in the Provincial Library, Tuesday night.

Centenary of the settling of the boundary will be observed June 15. Victoria section of the association has been asked to attend the unveiling of plaques in memory of Dr. S. F. Tolmie

Lanier Up To Old Tricks

## Whips Brooklyn 7 To 5

It's much too early to eliminate anybody from the National League flag chase, except the Phillies, but early season results point to a duel between St. Louis Cardinals and Brooklyn Dodgers.

The Red Birds, off to a stuttering start, closed the gap between the two top clubs to one game yesterday by downing the Brooks 7 to 5 in 11 innings.

Not since June 2, 1943, has the Flatbush Flock been able to cut down chubby Max Lanier, crafty lefthander from Denton, N.C. Lanier beat the Brooks four times after that 3-to-2 setback and five in 1944. He didn't pitch against them last year before he went into the army, but now he's back at his old tricks.

Leo Durocher's gang came back from a 5-to-0 deficit on some lusty slugging by Billy Herman and Dixie Walker to send the contest into extra innings. With the bases loaded and two out in the 11th, Marty Marion punched a two-run single to centre field that doomed the home club. Reliever Vic Lombardi was charged with the Brooks' first Ebbets Field loss of the season after nine successes.

Another lefthander, Wallace, sparked in the other National League fray, an arduous tilt in Boston, when he hurled the Braves to a 5-to-1 edge over Pittsburgh. The Bucs scored first but were able to touch Wallace for only four hits while the home club banged starter Kenny Gables for nine safeties.

Scheduled night games between Chicago Cubs and the Phillies and Cincinnati Reds and New York Giants were rained out, as was a Philadelphia-at-Cleveland day contest in the American.

### YORK HITS HOMER

Dave (Boo) Ferriss was the big gun in the junior loop when he outpitched Joe Haynes to blank Chicago 3 to 0. Rudy York's towering homer in the fourth and his double in the seventh boosted Ferriss along the way to his fourth straight triumph.

The Red Sox maintained their

## Lesnevich 'Stopped' Britisher Mills

LONDON (CP)—The light-heavyweight championship bout between Freddie Mills of Britain, and Gus Lesnevich of Cliffside, N.J., raised a neat point of boxing terminology. Lesnevich belted Mills to the canvas in the 10th round but was declared winner by the referee without a count.

In American boxing that would be a technical knockout. But British boxing has no official "K.O." designation. In Britain, if a fighter wins without his opponent is counted out, he is said to have "stopped" his rival.

## Women's Golf

In the women's medal competition at the Uplands Golf Club, Mrs. E. H. Livingstone was the winner in class A with a score of 94-77, while Mrs. R. L. Pocock was the best in class B with 98-22-76.

Miss Betty Ellis defeated Mrs. R. L. Pocock, 3 and 2, in a singles-bout match. A hidden hole competition saw Mrs. E. Jackson win in A class and Mrs. Pocock in B division.

### BASEBALL WORKOUT

Eagles senior baseballers will hold a workout at Macdonald Park tonight at 6.30.

5½-game lead over New York Yankees, who dropped out of the clouds and beat St. Louis 6 to 2. All the Yank runs came from homers by Joe DiMaggio, Bill Dickey and Joe Gordon, who resumed his place in the line-up after a week's inactivity.

Detroit's eight-game victory string was shattered by a 20-hit Washington uprising that produced a 15-to-1 decision for Roger Wolff. The veteran knuckleballer, who spent the last week of the 1945 season waiting in Detroit for a play-off game that never was played, got his revenge with interest.

They'll Do It Every Time

## Minor Ball Meeting Scheduled Tonight

Managers, coaches, umpires and officials are asked to attend a meeting of the Minor Baseball League to be held tonight at 8 in the Eagles Hall, View Street. Secretary George Cole reports that the league is endeavoring to get another team organized for the juvenile, 18-year-and-under loop and any youths interested in this are invited to attend.

Cole is trying to get hold of two well-known local persons in baseball, Bill Bridgewood and Tommy Restell, to officiate in the opening games of the league Sunday afternoon at Saanich's Hampton Road Park, first game in this double-header program to start at 1.45.

### LEGION FOOTBALL

Legion soccer club will hold a workout at Macdonald Park tonight at 7.30 in preparation for their May 25 exhibition game at Nanaimo.

Capitals under-16 baseballers will hold a workout at Macdonald Park tonight at 6.30.

## Anglers Negotiating With Saanich For Brentwood Park

WEDNESDAY, MAY 15, 1946 PAGE 13

It looks like the Victoria-Saanich Inlet Anglers' Association soon will have a spot to call their own on the shores of Brentwood Bay.

Negotiations which started some time ago came to light last night at the Saanich Council meeting when the scheme to procure Brooks Park on Beach Drive at Moodyville met with favorable comment.

The park is located on the left-hand side of the roadway approaching the ferry wharf.

Councillor W. C. (Bill) Kersey, Ward Six, who presented the anglers' side of the story, was chosen by the chairman of the parks committee, to discuss in detail the proposal with a delegation from the sport fishermen's group. This meeting will take place in the near future and action should follow shortly afterward.

Kersey told the council meeting that the anglers would develop and maintain Brooks Park if it was turned over to them, and he felt that the association was more than worthy of receiving the picturesque little park as a headquarters.

### ASKS SUPPORT

The plan still was in the tentative stage, he said, but he hoped that the council would give full support to the proposal.

In general discussion, members of the council met the proposal with favor, and agreed the anglers should be given every consideration.

Harry Woolston, president of the anglers' club, said that the ambitions of the association in regard to the park would be discussed at a general meeting to be called in the near future. General improvement of the park site and addition of picnic tables and amusement features for children, and in time, construction of a clubhouse and wharf are among the plans for the park site if the council approves of it. In addition, the park would remain open to the public at all times.

The move, he said, was in line with that of the Victoria Fish and Game Protective Association which recently procured a portion of Goldstream Park from the city for the establishment of an association headquarters.

## Pigeon Racing

The Victoria Racing Pigeon Club held its third old-bird race of the season from Chehalis, 116 miles, under blustery weather. Birds (207) participated from 19 lofts.

### Results follow:

	W. Blackstock	Mr. Min. Sec.
1	3	49 19
2	3	50 19
3	3	50 24
4	3	51 01
5	3	51 02
6	3	51 02
7	3	51 02
8	3	51 02
9	3	51 02
10	3	51 02
11	3	51 02
12	3	51 02
13	3	51 02
14	3	51 02
15	3	51 02
16	3	51 02
17	3	51 02
18	3	51 02
19	3	51 02
20	3	51 02

Birds will be basked Saturday at the same place as last week for the Castle Rock race, 145 miles, from 1.15 to 2.30. Clock setting same time.

### CUBS BUY KLEINE

CLEVELAND (AP)—South-paw Hal Kleine of Cleveland Indians has been waived out of the American League and purchased by Chicago Cubs for the waiver price of \$7,500, tribe vice-president Roger Peckinpaugh announced Tuesday night.

## Seattle Plans Big Rowing Regatta; U.B.C. Invited

SEATTLE (AP)—Ten of the nation's leading collegiate eight-oared racing crews have been invited to compete in a 2,000-metre regatta alongside Lake Washington's scenic and unique floating concrete pontoon bridge June 22.

Harvey Cassell, athletic manager of the University of Washington, announced late Monday he had forwarded invitations to the following schools:

Princeton, Yale, Harvard, Columbia, Massachusetts Institute of Technology, Cornell, Navy, Wisconsin, California, Pennsylvania and— from Canada — the University of British Columbia.

The race will be held in conjunction with the Maritime conference of the international labor organization which, with civic groups, will finance the university-sponsored regatta.

Inasmuch as the four-mile Poughkeepsie regatta—rowing's "world series"—will not be held this year because of postwar difficulties along the Hudson, sponsors indicated they would bill the June 22 regatta as the sprint equivalent of the year's biggest championship race.

## Oakland Gains On Coast Loop Leaders

The trial-and-error baseball club of Oakland, half a game nearer its rivals, clamored for a threesome today in the heated contest for Pacific Coast League leadership as San Francisco and Los Angeles prepared to settle the issue between themselves.

Oakland edged up on a 2 to 1 decision last night over the Hollywood Stars, while San Francisco and Los Angeles were idle.

Seattle eked out a 6 to 5 decision in 10 innings over Portland, and San Diego overcame Sacramento's pitching ace, Al Smith, 3 to 1.

The Acorns are two and a half games behind the leading Seals of San Francisco, who put their game and a half edge over Los Angeles on the block today in a double-header opening of a series with Los Angeles.

Portland 2, Seattle 1; San Francisco 6, Los Angeles 3; Sacramento 3, San Diego 1; Hollywood 2, Oakland 1.

Batteries—Fulford, Salmons (6); Barrett (4) and Turner, Elliott, Tobin (6); Fischer (6) and Beard.

San Diego 3, Smith and Courtney; Seattle 2, Brillhart (9) and Rice.

Hollywood 2, Smith and Courtney; Seattle 2, Brillhart (9) and Rice.

Batteries—Elliott and Unser; Palica and Raimondi.

## Lifts Suspension Of Bremerton Boss

TACOMA (AP)—Robert B. Abel, president of the Western International Baseball League, announced today the suspension against Sam Gibson, Bremerton manager, had been lifted. He said he had fined Bremerton player Clarence Fredemeyer \$15 and Gus Paglia, Hub Kittle and Bill Reese, \$5 each for "unpleasantly conduct on the field."

### BOWLING WINNERS

BUFFALO, N.Y. (AP)—The Buffalo combination of John Gworek and Henry Kmidowski last night won the 1946 American Bowling Congress doubles championship.

## Spokane Defeats Athletics In 12th; Tough Loss For Jensen

### Busher Will Return To Racing Shortly

LOS ANGELES (AP)—Buscher, believed with racing after she fractured a cannon bone shortly before the \$100,000 Hollywood Gold Cup last year, is back in training today and may return to the competition this summer.

If she doesn't carry movie maker L. B. Mayer's colors into the big Hollywood race July 27, Thumbs Up probably will.

Thumbs Up? Yes, the same Thumbs Up that broke down several months after he won the \$100,000 Santa Anita Handicap in 1945. Thumbs Up was thought to be through with racing, too. He was relegated to stud.

Now both Buscher and Thumbs Up are galloping lightly.

## Fastball Victories Posted By Esquimalt, Legion And Adverts

Esquimalt Meat Market and Canadian Legion senior B men of A section and Boy Whyte's Adverts of the fair sex ranks posted victories in Lower Island Fastball Association games Tuesday evening.

The butcher boys wound up victors 5 to 4 in a fight with Dockeyard Civil Service nine and the Legion came through with a convincing 16 to 7 triumph over Mollie's Bar B-Q in senior B men's games. Whyte's girls made the route to the victory bracket by nosing out Walter Yeamans' Hopefuls 9 to 8.

The Dockeyard-Esquimalt meeting was not decided until the ninth. Esquimalt was down 4 to 3 when they came to bat for the evening's closing batting session. Ellis, Webster and Knappett got to Dockeyard hurler Peterson for base knocks and before the side was retired three men had crossed the home plate to give the meat market lads a one-run win. Earlier in the game Forster hammered out a homer for Dockeyard with Simpson on base.

### LEGION'S DECISIVE WIN

In the Legion-Mollie's battle, the Bar B-Q ballmen started out strong by pushing over four runs in the opening inning compared to Legion's three. But from then on the Legionnaires swung into heavy slugging form and were soon comfortably established in the lead. They put the game on ice completely in the eighth with a six-run barrage.

Only other inning when Mollie's made other than good egg on the scoreboard was in the eighth. They got three runs. A big aid to the Legion in gaining victory was the 13 men walked by Mollie's opening pitcher Vic Dunn.

The seven-inning girls' tussle was an interesting one which saw the Adverts nose through with a one-run win in the last half of the seventh when Glenn Olding was walked by Hopefuls' heaver Pettigrew. She stole second base, went to third on an infield out and scored on a wild pitch.

By the end of the third the teams were even at 3 to 3. Adverts got one more in the last of the fourth. Both teams made their best showing at bat in the sixth inning when they bagged four runs apiece, leaving Adverts up one run, 8 to 7. Yeamans' team tied things up again in the first of the seventh.

Pitzer & Nex junior baseballers will hold workouts at the Victoria High School grounds Friday night at 6.30 and Sunday morning at 10. Any players 19 and under who are interested in playing with the team are invited to attend.

Esther Williams Great Swimming Star and Actress

Esther Williams was just seventeen when she came home in triumph after her championship swimming sweeps in the nationals at Des Moines.

She'd won three teams spots and three berths of the big Olympic ship due to sail in May. Esther had done the impossible, as she'd vowed to do—reached world championship form in two years.

Esther's rise to stardom in the film world is a fascinating story in itself. Read the life of Esther Williams, now featured in the Modern Screen Magazine, on sale today at all magazine dealers.

Modern Screen is distributed in Vancouver Island by Lovick's News Agency, Victoria, B.C.

After second baseman Marty Martinez had lined a home run over the centre-field fence in the ninth to give them a 1-to-1 tie, Spokane Indians pushed across four runs in the 12th to defeat Victoria Athletics 5 to 3 in their Western International League baseball clash Tuesday night.

It marked the second straight win for the Washington squad, with the teams to battle in the third of the seven-game series tonight, starting at 8.

It was a heart-breaking loss for big Bob Jensen, fireball right-hander of the Athletics. After his blazing high, hard one had blanketed Spokane for eight and two-thirds innings he got one strike on Martinez only to have the husky keystone sacker line the next pitch out of the park.

### HOW THEY STAND

	Won	Lost	Pct.
Salem	14	5	.737
Victoria	11	8	.579
Tacoma	10	8	.556
Spokane	11	7	.611
Vancouver	8	12	.400
Bremerton	11	10	.524
Victoria	6	14	.300

Athletics had a chance to put the game away in the last of the 10th. With the winning run on third base and two away, Walt Raimondi struck out. In the 11th, Spokane challenged by loading the bats with two men out, but Jensen tightened his belt to strike out James as the crowd roared.

However, he only delayed the dynamite which exploded in his face in the 12th. Clifford started the Spokane rally by dropping a Texas Leaguer back of second. Faria popped to Lowe. Risk singled to centre and Cadinha, running for Clifford, went all the way to third, Risk pulling up at second on the attempted cut-off of Cadinha. James hit on the ground to shortstop on what looked like a perfect double-play ball, but Raimondi's throw to second was dropped by Steele and all hands were safe, with Cadinha across the plate. Pickett lofted a foul to Cherry in left. Risk racing across the plate after the catch, McCormack's hit through short stop sent the final two runners over.

RALLY FALLS SHORT

Still fighting, the Athletics made a game attempt to get back in their half. After Jones had grounded to Martinez at second, Murphy drove the ball deep to left field for three bases. Cherry drew a pass. Mulcahy doubled to left field, scoring Murphy and Cherry. At that point, Spokane Manager Mel Cole held a hurried conference with pitcher Faria and decided to lift him, sending Bob Kinnaman in as relief. Pinch-hitter Pete Hughes was walked, but Lowe grounded out to end the game.

Jensen, who looks stronger every time out, chalked up 12 strikeouts and gave up only four walks. Until that home-run ball he tossed in the ninth, the big fellow was always in command. Faria, despite his hasty departure in the 12th, was credited with the victory. The former Coast Leaguer also came up with a neat turn of speed, quick-breaking curve and good change of pace. He struck out seven. Each was nicked for 10 hits.

It was also Jensen who provided the big blow in Victoria's first run in the fifth, a towering drive to right centre for three bags. He scored on Frankie Cirieme's ground smash through short.

Both clubs looked good in the field, with the Athletics displaying a lot more hustle. However, the fielding game of the night were provided by the visitors and, oddly enough, Ian Lowe, Victoria third sacker, was the individual robbed of base hits on both occasions. In the fifth, rightfielder James ran a city block to make a shoestring catch of a low fly and a couple of innings later

In the fifth, rightfielder James ran a city block to make a shoestring catch of a low fly and a couple of innings later

Both clubs looked good in the field, with the Athletics displaying a lot more hustle. However, the fielding game of the night were provided by the visitors and, oddly enough, Ian Lowe, Victoria third sacker, was the individual robbed of base hits on both occasions. In the fifth, rightfielder James ran a city block to make a shoestring catch of a low fly and a couple of innings later

## Conservatives Here Work For Anscomb As Party Leader

Victoria Progressive Conservatives have already started a campaign to have Finance Minister Herbert Anscomb named the next provincial Progressive Conservative Party leader.

The leader to succeed the late Attorney-General R. L. Maitland, K.C., of the Progressive Party, will be selected at the convention to be held in Vancouver June 14 and 15.

To give Mr. Anscomb an opportunity to meet Progressive Conservative Party workers, the Victoria association has arranged a social evening to be held in Macdonald Hall, Fort Street, Friday night, Mr. Anscomb has agreed to address the meeting.

Meanwhile Percy Payne, president of the Victoria Progressive Conservative Association, has expressed the opinion that Mr. Anscomb, already Progressive Conservative House leader in the B.C. Legislature, was the logical choice of the Victoria Progressive Conservatives.

"Mr. Anscomb will undoubtedly be our choice," said Mr. Payne. "He has a splendid record in provincial politics and as a former mayor of Victoria."

Mr. Payne said the association approved of Mr. Anscomb giving 100 per cent support to the Coalition government of this province.

## Bible Conference Opens Here May 19

World Dominion Movement Incorporated will hold a summer Bible conference at St. Andrew's Presbyterian Church, May 19 to 31, when the guest speaker will be Dr. Harry Rimmer, noted preacher and lecturer.

Harmony of science and scripture will be the theme of the conference, object of which is to "establish the fact that in an age of science, the Bible is still the world's supreme authority."

Rev. J. Lewis McLean, pastor of St. Andrew's, will be the chairman at a welcome meeting Sunday afternoon, at 3. Dr. Rimmer will preach Sunday at 11 and 7.30 and on Sunday, May 26, at 11, 3 and 7.30. He will preach each night, Monday through Friday, both weeks at 7.45.

Two afternoon meetings for up-Island residents and friends will be held May 22 at 2.30, and May 29 at 2.30. The Bishop of British Columbia will preside at the first meeting and Mayor Percy George at the second.

## Change Train Time

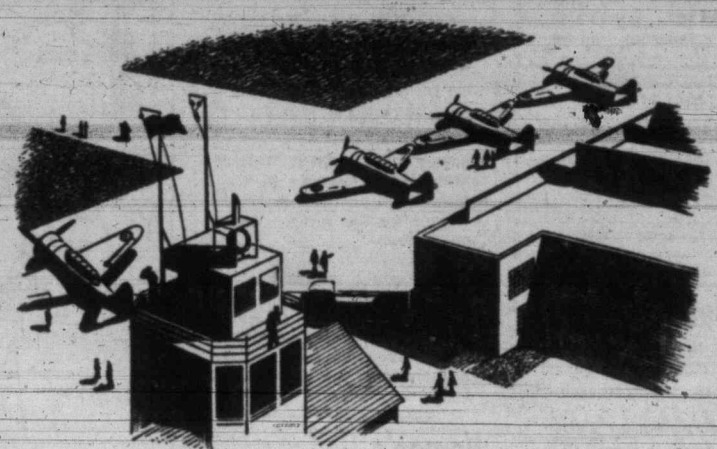

N. R. DesBrisay, assistant passenger traffic manager of Canadian Pacific Railway's western lines, today announced changes in western train times, which will be made by the system's summertime card, will be introduced June 9. Under the summer schedule, the Kettle Valley train will leave Vancouver at 6.15 p.m. standard time.

# THERE'S A FUTURE FOR YOU

## ...IN THE RCAF

**THE JOB:** There are openings in many of the ground trades, including aero-engine and air-frame mechanics, armourers, telephonic and photographic workers, clerks and cooks. In some trades training will be provided. All offer advancement in return for hard work and proficiency. Applicants without previous service must be over 18 and under 26.

**THE PAY:** Basic pay plus living allowances for non-commissioned ranks runs from \$95 monthly for Aircraftman Class 2 to \$188 for Warrant Officer Class One; extra pay for trade proficiency and increased pay after three years in any rank; marriage allowance of \$20 a month; free uniform clothing and medical and dental service.

**THE PENSION:** A lifetime income on discharge after 20 years' or more service; pensions or gratuities in the event of prior discharge on medical grounds, and pensions or

gratuities to widows or children in the event of death while on service.

**VETERANS' PREFERENCE:** As among applicants, war veterans applying for reappointment will receive preference, and if accepted will be reappointed to the ranks they held at the time of their discharge, or to the nearest ranks which establishment permits; and their prior service will be a factor in promotion and pension.

**TERMS OF SERVICE:** Accepted applicants enter Interim Force, which terminates on or before September 30, 1947; good conduct, satisfactory medical category and trade proficiency will enable airmen to enlist in Regular Air Force for five years and re-engage thereafter for further five-year terms.

**WHERE TO APPLY:** Applications should be made to Western Air Command, RCAF, Joint Services Headquarters, 4th Avenue West, Vancouver, B.C.

## Statement Ruled Inadmissible At Singh Trial

A day-and-a-half trial within a trial was concluded in the case of Barim Singh, 60-year-old East Indian, charged with the murder of Sunda Singh, at 1215 in the Assize Court today when Mr. Justice A. M. Manson ruled a written statement inadmissible as evidence.

Following a brief adjournment requested by George F. Gregory, counsel for the accused, the jury was recalled and the trial proceeded with Detective Louis Callon of Victoria taking the witness stand.

## B.C. Marriages Up 500 For 3 Months

Marriages in British Columbia in the first quarter of 1948 exceeded by more than 500 the number in the first quarter of 1945, the Provincial Board of Health stated today.

In March this year there were 790 marriages, giving a marriage rate of 10.1 per thousand. The rate in March, 1945, was 6.54. Also continuing to increase is the number of divorce decrees granted in the province. Total number of divorces for the first quarter of the year was 475. Total for March was 167, compared with 100 in the previous March.

Proportion of male petitioners for divorce also is increasing. In 1936 the ratio of male petitioners to female was one to two, in 1944 it was two to three, and this year to date the ratio is one to 1.3.

## Knights Of Pythias Open Convention

The 45th session of the Grand Lodge, Knights of Pythias, opened in ritualistic form at the Elks' Club this morning with Grand Chancellor J. Douglas, New Westminster, in the chair.

All Grand Lodge officers were present and approximately 70 delegates from B.C. were present. Among visitors present at the session are Grand Chancellor C. Baxter, Seattle, and Grand Keeper of Records and Seals S. Mitchell, Olympia, Wash. Both spoke briefly to the delegates, bringing greetings from the Washington Pythians.

This afternoon the Pythians reassembled to hear reports of district committees and subordinate lodges.

This evening, a banquet will be held at Crystal Garden, where Mayor Percy George and Frank Paulding, Y.M.C.A. secretary, will attend. A ball will be held after the banquet.

The 31st session of the Grand Temple Pythian Sisters opened in the K. of P. Hall on Broad Street this morning with Sister Nellie Ratcliffe, Grand Chief, presiding.

## Security Council Studies Plan For More Secrecy When Needed

NEW YORK (AP) - Security Council members today were studying recommendations from their rules experts which would give the council ultra-privacy in deliberations at any time and the power to withhold selected "top secret" intelligence from the 40 United Nations not represented in the council.

The experts' proposal and a United States resolution whose adoption would block Albania's immediate effort toward membership in the U.N. will come up for debate in the council tomorrow.

In the new section of 34 rules for adoption by the council the committee of experts on procedure proposed that the U.N.'s peacekeeping arm should meet

## Coal Operators Reject Miners' Welfare Demand

WASHINGTON (AP) - Soft coal operators today informed John L. Lewis they reject "un-qualifiedly" his demand for a 7 per cent payroll levy to finance a miners' welfare fund.

The operators' negotiating committee said in replying to the United Mine Workers that Lewis' proposal presented "a new social theory and philosophy, the effect of which would extend to every industry in America, and as such must be considered and acted upon as a national problem and not as one relating to the coal industry alone."

The committee said the problem was one to be considered by public legislative bodies.

As a counterproposal to Lewis' proposal, the operators suggested the possibility of setting up a jointly-financed fund for hardship cases under the administration of an independent agency such as the Red Cross.

## REPORT AWAITED

President Truman, meanwhile, awaited a report by nightfall if possible, on the progress of negotiations to end the two-month-old dispute.

The President last Friday asked Lewis, president of the United Mine Workers (A.F.L.) and Charles O'Neill, spokesman for the operators, to report back in four or five days. This is the fifth day after their White House visit.

While most miners are back at work under the two-week truce that began Monday, hope virtually vanished for a speedy settlement of the dispute, which cut off bituminous production for 42 days.

## City May Sell Service Centre

Considerable interest has been shown by prospective purchasers of the Red Shield Three Services Centre at 1318 Broad Street, which is owned by the city, Maj. M. K. Crockett, city lands commissioner, said today.

The property was kept on the reserve sale list until it was known definitely that the Three Services Centre would be closed. Maj. Crockett said. Now that the Salvation Army has given the city a month's notice to vacate, he said that steps would probably be taken to dispose of it.

The building contains a number of offices on the ground floor, a theatre capable of seating 400, and a large gymnasium which now has a false ceiling.

Maj. Edward Brunson, who has been in charge of the centre for the Salvation Army, expressed hope yesterday that the building might be used for emergency housing for veterans or some other use for veterans.

## B.C. Death Rate High

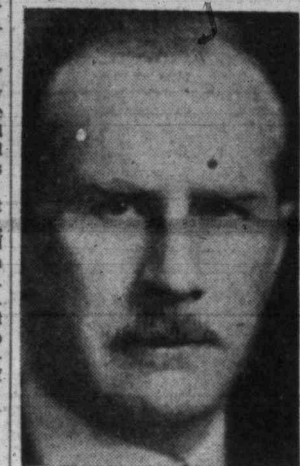

Although British Columbia has the lowest infant mortality rate in Canada, it has the second highest death rate among infants less than a month old, the Provincial Board of Health said today in its monthly bulletin.

The board said 67 of all deaths among white persons under a year of age occurred during the first month of life, and added this neo-natal death rate was twice as great in rural as in urban areas.

"It is felt that this is due partly to the difficulty in obtaining medical supervision in rural areas and partly due to lack of knowledge of the importance of prenatal care," the board said.

A seven-foot male panther was trailed and killed Monday evening by Don Parker and his brother Art of Rocky Point, in the Sooke district. The Parker boys went out with their dogs to get the cougar after it had killed one lamb and mauled two others.

## Canada Can Meet Nickel Demand Says Producer

C. E. MACDONALD

Canada would have no difficulty in catering to a greatly increased demand for nickel by other countries of the world, according to C. E. Macdonald, manager of Canadian sales of International Nickel Co. of Canada Ltd.

Canada at present is producing only 50 per cent of the quantity of nickel she was producing at her wartime peak, said Mr. Macdonald at the Empress today. Canada was exporting 95 per cent.

The Canadian nickel industry which produces 90 per cent of the world's supply is an important item in Canadian economy, according to Mr. Macdonald. Canada exported about 35 per cent of her total production of all goods, he said, and the exportation of 95 per cent of the country's total nickel production was a major item.

The biggest individual nickel market is in the U.S., while most of the balance goes to European and Asiatic countries. Exports to South America have been small, owing to limited industrial development there, but Mr. Macdonald believed conditions would change and looked for considerable industrial development in South America with a consequent increase in the demand for Canadian nickel.

Mr. Macdonald has been touring western Canada to study what the people are planning for the future and how the nickel industry can best contribute to those plans.

As a producer of basic materials and as refiners, the nickel company was very definitely intending to stay out of the manufacturing business, he said, but would do its best to supply the needs of the manufacturers. "We will have a big enough job on our hands if we look after and develop the nickel business, he said.

Although there is a shortage of essential metals, there was no shortage of nickel, he added. Mr. Macdonald is accompanied by G. Warren Brown, president of the Cockfield-Brown advertising agency, Montreal.

## Sentenced Tomorrow

James William Easton was remanded for sentence until tomorrow when he appeared before Magistrate Henry C. Hall in city police court today on a robbery with violence charge.

Dr. P. M. Wolfe, Jubilee Hospital intern, testified that a Chinese youth, Douglas Lowe, whom Easton is charged with wounding, was in favorable condition at the hospital.

Easton told the court he had nothing to say and did not wish to call any character evidence.

A general meeting of the Vancouver Island Beekeepers' Association will be held at 8 tonight in the Council Chamber, Victoria City Hall.

## Moscow Charge Against Clerk In U.S. Embassy Becomes 'Incident'

By JOHN M. HIGHTOWER  
WASHINGTON (AP) - The United States has demanded Russia drop a charge of "hoiiganism" against an American embassy clerk in Moscow and allow him to leave the country immediately. Russia has refused.

This was learned today from U.S. diplomatic officials. They indicated the case of Waldo Reuss is becoming a full-blown diplomatic incident involving the State Department, the embassy in Moscow and the Kremlin.

The State Department is drafting a new set of instructions to the embassy. Inside information is that the U.S. representatives in Moscow now will be formally advised not to budge in the case.

American officials privately express the suspicion that the Russians brought charges against Reuss as a sort of retaliation for the arrest in the U.S. some months ago of Lieut. Nicolai G. Redin on a charge of espionage. Official informants give this as

# WATCH FLETCHERS

## 5 U.S. Officers Under Suspension During Inquiry

MANILA (AP) - Five naval officers, up to the rank of commander, have been suspended from duty at the Subic Bay submarine base pending completion of an investigation of suspected black-market activities. Vice-Admiral J. L. Kauffman, Philippine sea front commander, announced today.

"Preliminary investigation indicates black market activity involving the illegal use of government property amounting to a relatively few thousand dollars," Kauffman stated.

No charges have been filed against the officers, he said, pending completion of the inquiry.

It was understood the thefts and sale of government property included nine movie projectors, a hot black market item in entertainment-starved Manila. Other equipment on the missing list included mattresses and building materials, both scarce in Manila.

Kauffman said earlier reports of diversions of government property valued at \$2,000,000 were a "gross exaggeration." Some erroneous stories had placed the suspected theft ring at the Olonapo naval base instead of at the Subic Bay station.

## Loggers Ask P.O.W. Work Be Stopped

TEMIMINS, Ont. (CP) - A resolution asking the immediate removal of German prisoners of war working in lumber camps, under threat of strike, was passed Tuesday at the second wage conference of Local 2966 of the Lumber and Sawmill Workers' Union (A.F.L.).

The resolution says there are "certain indications" that although the federal government stated the prisoners would be removed between April 1 and June 1, 1946, it was the government's intention to remove only the lesser-skilled men and permit "certain classes" to remain at work indefinitely.

The resolution adds: "More than half of the 9,000 German prisoners of war reported to be working in lumber camps of northern Ontario are still with us. The presence of these German prisoners of war, retained as a form of slave labor, represents a threat to the wage levels and conditions of Canadian workers."

## Police Hold Man

VANCOUVER (CP) - Police were holding a man today for investigation in connection with an explosion which wrecked the converted freighter Joedel at midnight Monday.

Fire Warden Archie King said the blast undoubtedly was caused by gasoline or kerosene.

Police said the man told them he had been looking over the boat for several days with the idea that it could be converted into a seiner. The owner was not known to the man.

The man was booked for investigation after he had been treated for face and shoulder lacerations. He had been found

## 'Plan For India'

NEW DELHI (CP) - The British Cabinet delegation said today its "Plan for India" would be released at 8 p.m. local time (7.30 a.m. P.D.T.) tomorrow in New Delhi and London.

Prime Minister Attlee will disclose the independence plan to Parliament. Lord Pethick-Lawrence, Secretary of State for India, and Field Marshal Lord Wavell, the Viceroy, will broadcast over the All-India radio.

## Plan Strike Vote

VANCOUVER (CP) - Between 450 and 500 members of the Plumbers' and Steamfitters' Union (A.F.L.) will take a strike vote June 28 to back up their current demands for the 40-hour week and 25 cents-an-hour pay raise, Frank Carlisle, business agent said today. With other members of the Joint Shipyard Union Conference, embracing both Canadian Congress and American Federation of Labor unions, the plumbers opened negotiations with shipyard operators Monday.

**CAPITOL**

**Where To Go Tonight**

(as Advertised)

**ATLAS**—The Crystal Ball, starring Paulette Goddard.  
**CADET**—The Unseen, starring Joel McCrea and Gail Russell.

**CAPITOL**—Bing Crosby in "The Bells of St. Mary's".  
**DOMINION**—Jesse James and "The Return of Frank James", starring Tyrone Power and Gene Tierney.

**OAK BAY-PLAZA**—Blithe Spirit.

**RIO**—Gregory Peck in "The Keys of the Kingdom".

**YORK**—Vivien Leigh and Laurence Olivier in "That Hamilton Woman".

**OAK BAY AND PLAZA THEATRES**

Noel Coward not only created the mischievous plot and sparkling dialogue of his famous play "Blithe Spirit," but also for a short period personally took a hand in the occult doings of his theatrical brain child. He played the role of the novelist, Charles Condomine... a man with a charming wife, here below, and another in the Great Beyond, who, too impatient to wait for him, returned to earth with devastating repercussions on his second marriage.

Rex Harrison plays the part of the novelist in the scintillating technicolor movie version of "Blithe Spirit" made by Two Cities Films, currently at the Oak Bay and Plaza Theatres through United Artists release.

But though the spirit of Noel Coward, unlike the other spirits in the film, is unseen, it presides brilliantly over this enchanting domestic comedy.

**RIO THEATRE**

At least five of the featured players in A. J. Cronin's "The Keys of the Kingdom," which is currently at the Rio Theatre, not only had to be "up" on their roles in this important production but for "Wilson," which was in production at the same time.

The double-duty line-up for these major films were Thomas Mitchell, Vincent Price, Sir Cedric Hardwicke, Ruth Nelson and Ruth Ford.

Pain, Burning, Tenderness On Bottom Of Feet

Speedily Relieved

For quick relief beyond belief, ask for Dr. Scholl's Zino-pads. These thin, downy-soft, soothing, cushioning, protective pads instantly lift pressure from the sensitive spot. You'll marvel how they relieve painful callouses, burning and tenderness on the bottom of your feet... how the separate wonder-working little Medications included quickly remove callouses. Easy to apply. Stay on in the bath, don't bat a toe. At Drug Store, Department Store and Variety Counters. Get a box today. Insist on Dr. Scholl's in the yellow box.

Super Soft Dr. Scholl's Zino-pads

**Hollywood Column**

By BOB THOMAS

**HOLLYWOOD (AP)**—If they're not careful out here they're going to educate the actors.

Behind doors dramatically marked "Top Secret," the Culver City studio is making the story of the atom bomb.

Agnes Moorehead told me of her studies for her role as Lise. Neither, "I didn't know what some of my speeches were all about—I couldn't tell a beaker from a bunsen burner," she said. "So I... learned all about atomic energy."

Hume Cronyn was clutching a book called "Atomic Power for Military Purposes," which he said he had studied carefully. He is portraying Dr. J. Robert Oppenheimer. "I've read everything that has been written about him," said Hume.

Aiding the academic atmosphere is Dr. Harry Wensel, technical adviser. He explained the set recreated the Chicago experiment which proved chain reaction and which Dr. Wensel thinks is one of the great events in human history.

Gregory Peck, one of the hardest working gents in town, is going to have a couple of months off when he finishes "The Short Happy Life." So what is he going to do? Take another acting job.

After that he will probably return to play in the life of Benedict Arnold. I asked if he would object to playing the American traitor. "Only if it's a bad script," he said.

After four years in service, Gene Raymond is back before the cameras in "What Nancy Wanted." He is looking boyish despite his 38 years and that toothpaste smile still flashes brightly.

Bette Davis recovered from her car crash and returns to "Deception" tomorrow. Ann Blythe visits the doctor Saturday and hopes to have her braces removed. It's been a year since she broke her back. Clark Gable, Rex Harrison, David Niven and Doug Fairbanks Jr. have a weekly stag party. Harry von Zell signed for Columbia shorts.

**CAPITOL THEATRE**

Leo McCarey, who, in addition to producing and directing, also wrote the original story for his Rainbow Production for RKO Radio, "The Bells of St. Mary's," now at the Capitol Theatre, received his inspiration for his human, down-to-earth story of the Sisters of a parochial school from his favorite aunt, Sister Mary Benedict.

Sister Benedict was one of the Sisters who helped found and build the immaculate Heart Convent in Hollywood. She and several others died of typhoid fever brought on by defective drainage at the school. Ingrid Bergman plays the role of Sister Benedict in the picture, while Bing Crosby plays the same character as in "Going My Way," that of Father O'Malley.

Two of the two greatest westerns ever filmed—"Jesse James" and "The Return of Frank James"—bring Tyrone Power, Gene Tierney and Henry Fonda to the screen of the Dominion Theatre today, when the 20th Century-Fox-encore triumphs start their run.

**DOMINION THEATRE**

**YORK THEATRE**

Rudolph Mate, director of photography on Alexander Korda's "That Hamilton Woman!" the stirring film romance which is now at the York Theatre, invented a new type of camera spotlight which he used for the first time on the Korda production which co-stars Vivien Leigh and Laurence Olivier. Mate, Academy Award winner for his work on "Love Affair," recently won acclaim for his photography on "Foreign Correspondent."

**ATLAS THEATRE**

Paulette Goddard, beautiful co-star of Ray Milland in the exciting comedy-romance, "The Crystal Ball," which is now at the Atlas Theatre, was voted America's best-dressed girl. She lives up to the title in "The Crystal Ball," in which she has 14 changes of costume.

Latest Hollywood saying: Be kind to your producer; tomorrow he may be the gateman and not let you in.

**Alberta Will Retain Soccer Affiliation**

CALGARY (CP)—Alberta Football Association will retain its affiliation with the Dominion body, it was decided at a special meeting with practically all the officials in attendance.

(Manitoba has decided to break away from the parent body and B.C. will skip Dominion championship play this season.)

During the war years, which saw the sport boom in this district due to the classy brand of soccer displayed by R.A.F. players a sum of money was placed in a fund to help rehabilitate the district associations and prewar clubs.

The meeting also decided to resume play for the provincial championship, which would renew the old intercity rivalry.
